

# Assemblies

A school year just wouldn't be a school year without the traditional assortment of various assemblies.

Some of them bore familiar faces such as the Notre Dame Choral Group, the Chocolate assembly, and, of course, those wonderfully entertaining basketball rallies.

Some were new, however, and we anxiously awaited them with mixed emotions of reverence, interest and sadness as Bro. Joe's Christmas skit, the G.M. assembly and our last good-bye to Bro. Ken slowly slipped before our attentive eyes.

I wish that "%&() white knight would hurry up, I'm getting tired of holding this nut up.

Stand back kiddies or he'll melt your ice cream!
