# Track & Field

In Covington Catholic own rendition of the Olympics, everything from permanent lines on the baseball field to a record scoring 15 points by one man were featured. Under the supervision of the Athletic Department and the Spirit Committee of the Student Senate, this Track and Field Day provided enjoyment in the realm of competition. With all homerooms competing, most of the winners were not known till the last event. The most notable single achievement was made by Mike Fox who won the 100 and 200 yard dashes and the broad jump in grand style.
