

# Junior-Senior Prom

The name of this year's Prom, "Some Enchanted Evening," explains the enjoyment that was had by all.

As is well known, the Prom marks the most important social event of the year and this year was no exception. Much credit is due to Mr. Butler and the Juniors who did an excellent job of preparations which are required for such a gala affair. Excellent music was provided by Deke Moffitt and his orchestra whose numbers included a great variety of tastes.

The choice of the Junior Class for Prom King was the ever popular Jim Kruer. His choice as queen was Miss Patricia Talbert of Notre Dame Academy.

The Lookout House was chosen as the locality of this event. The beautiful decorations and marvelous atmosphere labeled this night as one to be remembered.
