

# Senior Class Play

The Senior Class Play of 1964 added much to the name of Covington Catholic. The performance of the "Promise Fulfilled" was the richest endeavor of the year. This was the first time that teenagers in this area have put on such a play.

The play could not have been a true success without the intense work and encouragement of Fr. McDermott and Mr. Payne. Because of their instruction and interest the seniors were able to give

excellent presentation. In all there were ninety characters representing almost all the Catholic high schools of Northern Kentucky.

The thirteen scenes of the Play made it necessary for a new stage to be built, more lighting was required, and many stage hands. Even a special make-up department led by Miss Jane Klaene was necessary.
