This year's golf team, could be the greatest team of linksmen ever to be assembled in this area. Among their list of accomplishments are 9 victories and 1 defeat, the defeat coming from a Louisville team which was finished second in the state two straight years. A victory in the regional golf meet. The first regional victory in the history of the school in any sport. The medalist in the regional golf meet, Dan Hurley. A victory over Dixie Heights, their first defeat in five years. The state putting champion Jim Kruer. A 15th place finish in the state meet, in which there are no classes, but just wide-open competition. The team coached very well by Mr. Payne who added the spirit when it was needed most was made up of 2 sophomores 2 frosh and 4 seniors.
