

Sodality

"The Student Senate is to run the school, but the Sodality is to run the student." This is how Jim Wulfeck, Prefect of the Marianist Sodality here at CCH explains the Sodality. The goal of this year's Sodality was making a better school by making a better student.

Spiritual, Moral, Physical, Cultural, these were the battlefields of the sodality. In each of these fields the Sodality strove to bear the torch of Christian leadership to the height of Christian perfection, the Imitation of Christ. "Be another Christ," was its motto, "a son to Mary," its slogan.
