

Welfare

The Welfare Society has enjoyed an extremely successful year. Both of the dances and socials it undertook were immensely successful. In addition to help they have given to various organizations within the school they have already this year air conditioned the office and the faculty room. This year's officers are Mr. Lawrence Schell, Mr. John Schulte, Mrs. Betty Meihaus, Mrs. Richard Flanagan, Mr. Charles Frank and Mr. Walter Molony.

Alumni

Our school has over fourteen hundred alumni. Part of this number is continuously active; others are seen at the summer homecoming or the Alumni mass and breakfast on December the eighth; but all enjoy special ties with Covington Catholic. This year's officers are Mr. Fred Thiel, President; Mr. Bud Stander, Vice President; Mr. Bob Stevens, Secretary; Mr. Art Bohman, Secretary.

"I can remember when all I used to drink here was milk."

Boosters

Although new this year, this organization has already topped the three hundred mark in membership. Right now their projects are a new tarpaulin for the gym and needed Phys-Ed equipment. It can be safely said that the functioning of the athletic department is made 100% easier by this organization. The officers are Mr. Roy Fessler, President; Messrs. Bud Stander, Richard Egan, and Walter Molony, Vice Presidents; Mr. Robert Stevens, Secretary; and Mr. Art Bohman, Treasurer.
