## Principal Brother Donald McVee, S.M.

Dear Colonels,

Just one year of association with the family of Covington Catholic High School has proved beyond a doubt that a remarkable spirit thrives here. New students coming into the school must find their part in this growing spirit and serve as generously as the Class of 1964.

The previous Principal, Brother Donald Fahrig, S.M., spoke at the Baccalaureate breakfast, part of the graduation observances of the Class of 1964. He pointed out that two qualities distinguish the students of CCHS. First of all there is a willingness to serve. In many schools there is no sense of service at all. We have a precious treasure that must be guarded.

Brother Don pointed out a second characteristic of the Colonels: an ability to run things themselves. Again not many schools can boast this quality. The Campbell Lodge Festival is an example of how students from every class cooperate to run something themselves and in the process to raise thousands of dollars for charity.

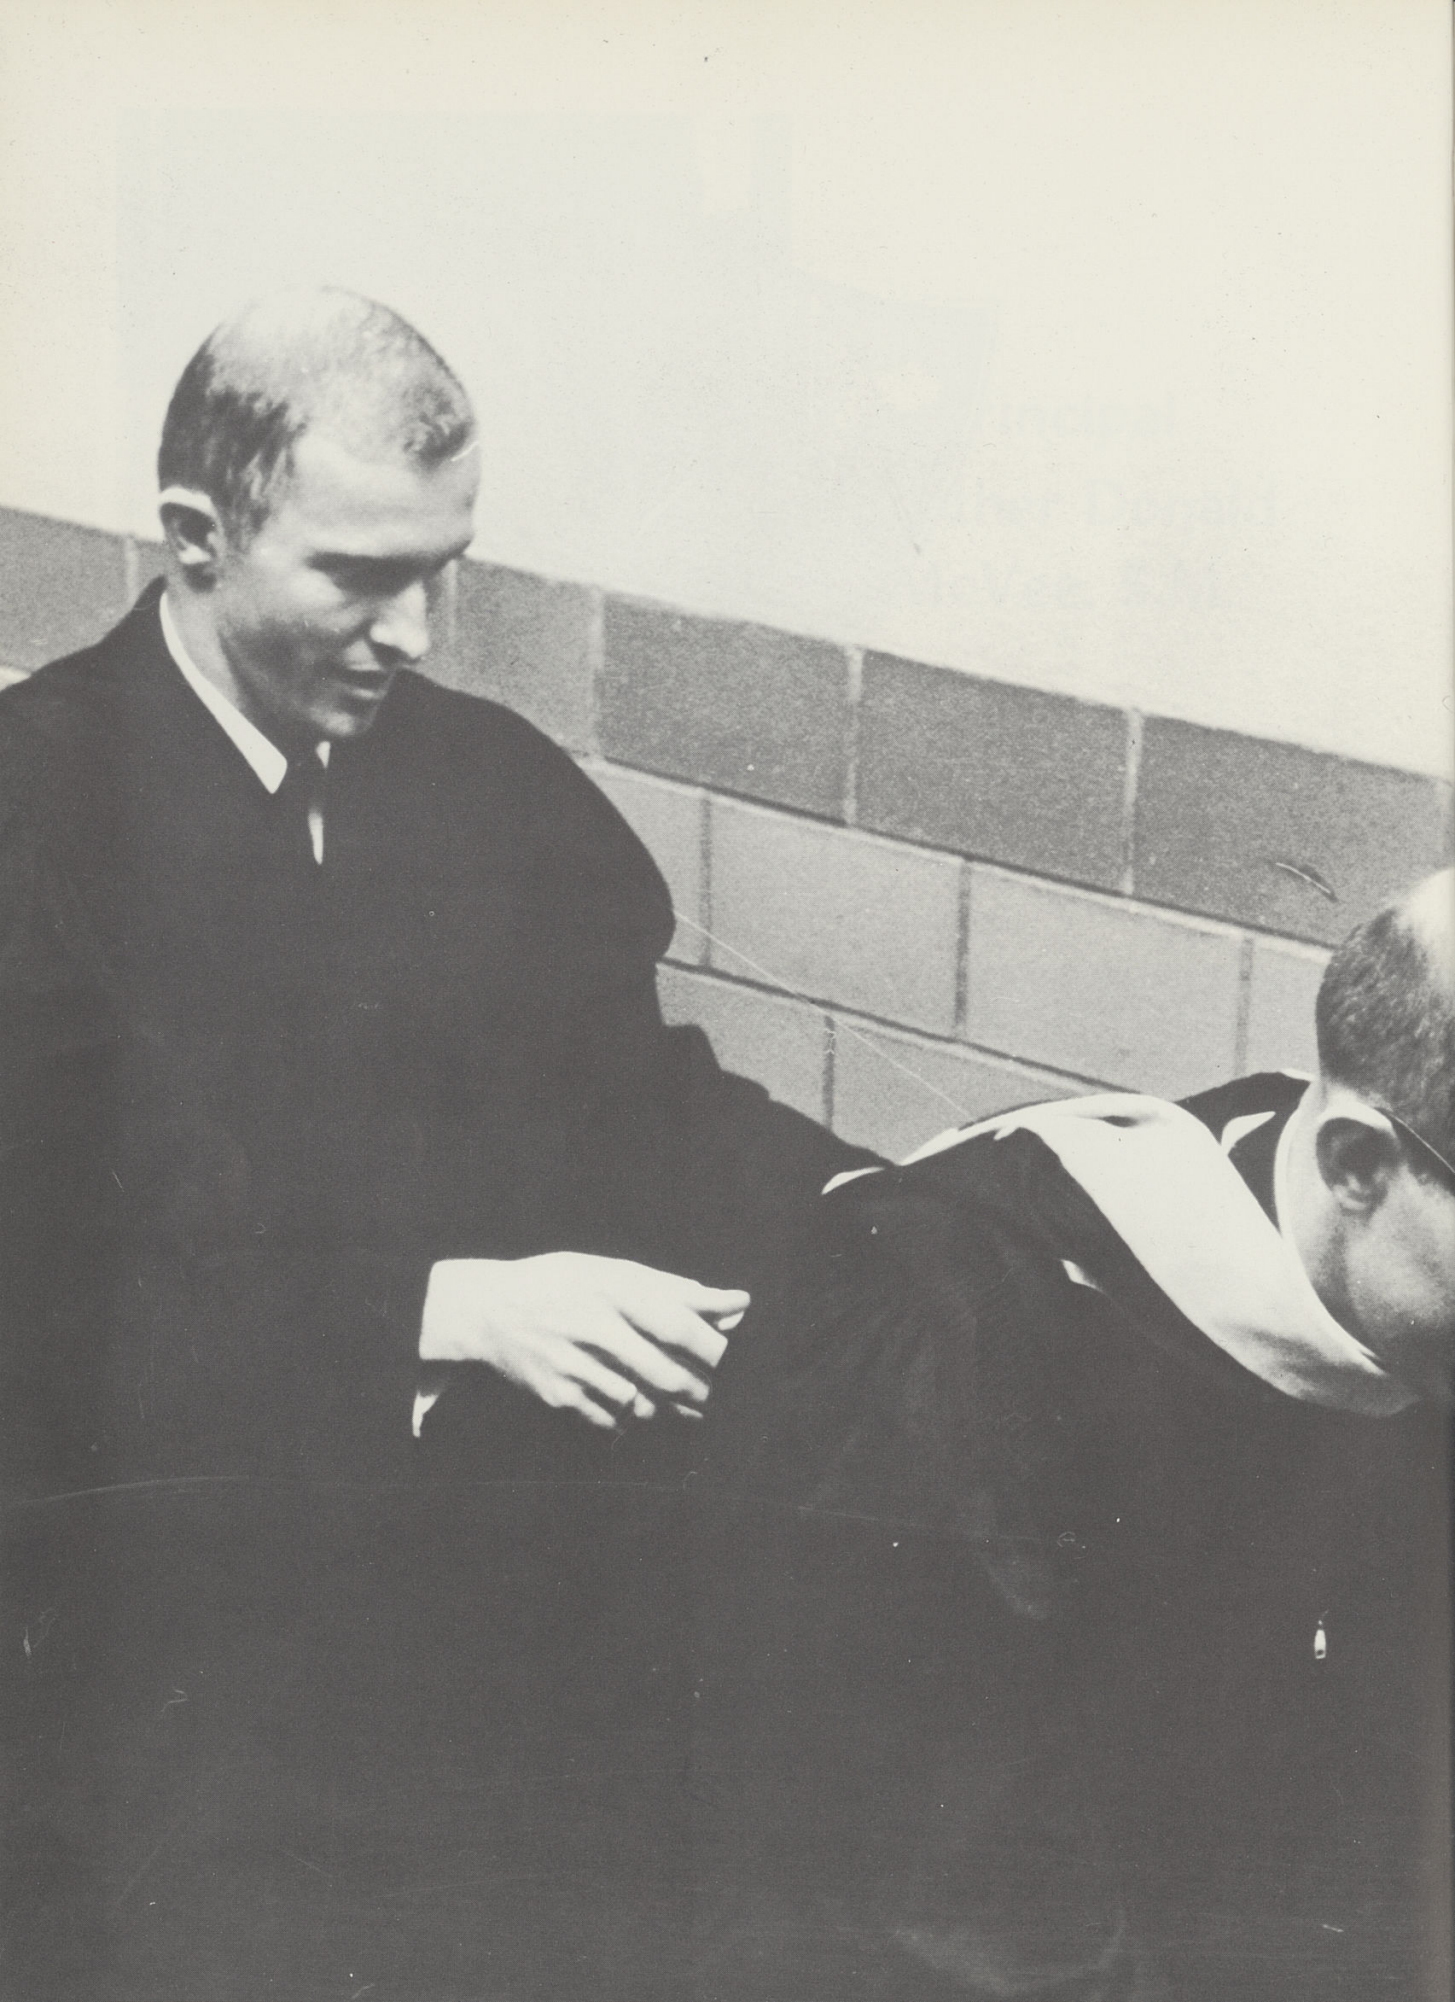

The erection of the marker in front of the school was another student undertaking. This is a fitting memorial for Jim and Joe Corbett. Best of all it proves that we want to tell the world that this is Covington Catholic High School—we are proud of our school and ready to fight to protect its name.

As a Catholic school we treasure the opportunities offered to grow before God and man in the state of grace. No other goal can surpass this. In this Marianist school we work and pray under the guidance of the Blessed Virgin. May she lead us to the sense of dedication demanded of every Catholic today.

# Campbell Lodge Festival

"Eight cold ones—to go!"

"That's twice in the eye, once in the nose and you get a coupon."

"This heist is going to be a breeze."

"They'll never get rid of them."

"He ate it!"

# Campbell Lodge

The name Campbell Lodge Festival is a name synonymous with hard work, enjoyment and success. This year's festival was undoubtedly the best by far, both organization wise and financially. The

overall booth winner was 10E. All profits from the festival will be used for the benefit of Campbell Lodge and the Marianist Missions.

"Take the spikes out of that ball."

"What can I get for 3622 coupons?"  
The answer: a flavored toothpick!

"Nothing can stop Robke—on his way to the park."

# Track & Field

In Covington Catholic own rendition of the Olympics, everything from permanent lines on the baseball field to a record scoring 15 points by one man were featured. Under the supervision of the Athletic Department and the Spirit Committee of the Student Senate, this Track and Field Day provided enjoyment in the realm of competition. With all homerooms competing, most of the winners were not known till the last event. The most notable single achievement was made by Mike Fox who won the 100 and 200 yard dashes and the broad jump in grand style.

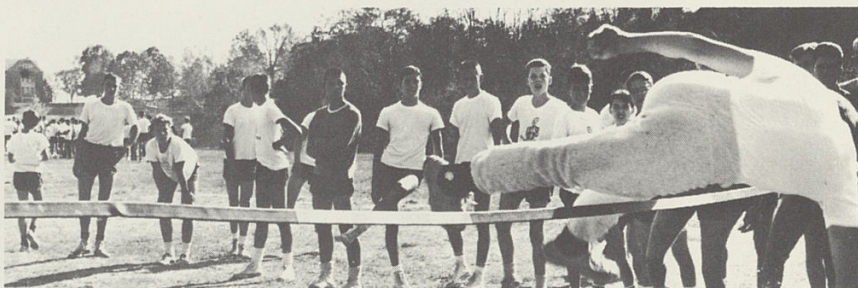

FALSE START

"Call for Philip Morris!"

"Watch closely this guy may break a leg."

# Intramurals

This year's intramurals program marked quite a bit of fun and athletic competition for the entire student body. More than ever before the students, especially the underclassmen, showed an earnest interest in the homeroom competition. Many participants were active in such varied encounters as basketball, volleyball, softball, ping pong, and bowling. The intramurals were under the direction of the Spirit Committee of the Student Senate, Mr. John Payne, and Father Walter.

"You set a major league record with 14K."

"Six rounds bought, he bought five."

"They're looking at my baby pictures."

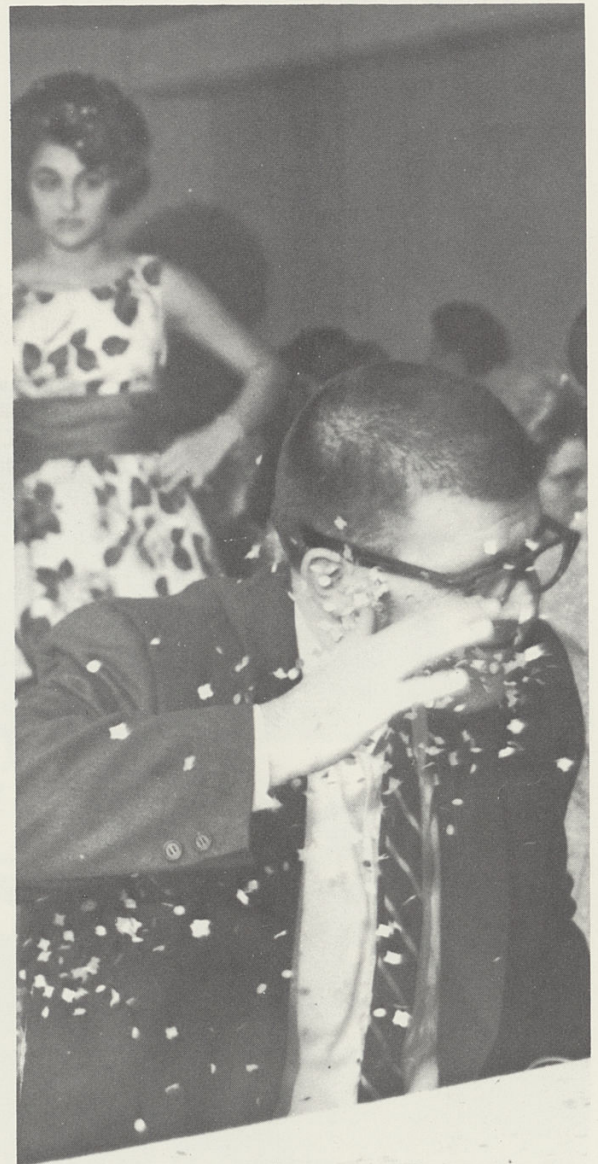

"Get your fat head out of the picture."

"Our group has 34% more dandruff."

# Mardi Gras

Last February 7th, the Student Senate of CCH presented the annual Mardi Gras Dance at Town and Country Restaurant. This festive affair was attended by more than 250 students, who all had an exciting evening. The music was presented by the "Stardusters."

# Christmas Ball

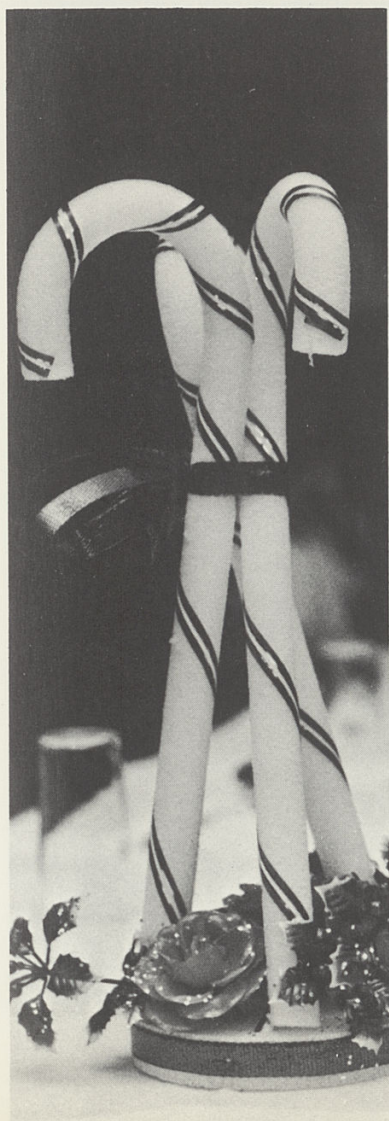

On December 23, Cov. Catholic High School's Student Senate sponsored the school's third annual Christmas dance under the colorful theme of "O Tannenbaum Tanz." Under the excellent supervision of Bro. Donovan and Mr. Payne and with the tremendous effort put forth by the student body in the field of decorating, the dance was labeled a success.

"You always win when you get the Xs'."

"That's his tenth piece."

Mike Dyas slips behind the closest tree.

The words of Fr. W. Wintermeyer inspired hundreds of Colonels during the under-class retreat.

Religious activities compose the foundation of C.C.H.'s character. This year's religious activities were more numerous and various than ever before. This achievement is due mainly to the hard work and earnest effort put forth by our principal and our chaplain.

Some of the activities included the senior and under-class retreats, the rosary rally, wall dedication, Chaminade day, class ring ceremonies, frequent rosary recitation and Lenten devotions.

Each of these programs extended an opportunity for spiritual advancement. They were well appreciated by many students.

## Religious Activities

# Chaminade Day

Bishop Ackerman was celebrant at this year's Mass.

Mary's work is world-wide.

# Junior-Senior Prom

The name of this year's Prom, "Some Enchanted Evening," explains the enjoyment that was had by all.

As is well known, the Prom marks the most important social event of the year and this year was no exception. Much credit is due to Mr. Butler and the Juniors who did an excellent job of preparations which are required for such a gala affair. Excellent music was provided by Deke Moffitt and his orchestra whose numbers included a great variety of tastes.

The choice of the Junior Class for Prom King was the ever popular Jim Kruer. His choice as queen was Miss Patricia Talbert of Notre Dame Academy.

The Lookout House was chosen as the locality of this event. The beautiful decorations and marvelous atmosphere labeled this night as one to be remembered.

“Some  
Enchanted  
Evening”

The yearly pleasantry of reigning for a night is enjoyed by Miss Pat Talbert and Mr. Jim Kruer.

The ENCHANTED attendants for this EVENING were: Warren Reynolds and Bonnie Feldhues; Mike Dyas and Sally Skillman; Dave Sweet and Terry Thompson; Mike Hugenberg and Kathy Egan.

# The Wall

For many years there has been a strong desire among the students and teachers of C.C.H. to erect a wall or sign displaying the name of the school. This year their wish became reality as the name *Covington Catholic High School* is displayed proudly on the front lawn.

As had been long planned, the Wall was dedicated to the young men who so well exemplified the true Colonel, Jim and Joe Corbett. Their memory will remain at C.C.H. as long as the monument stands which was erected in their remembrance.

The erection and dedication of the Wall was a great step forward for our school. It will be appreciated and respected by every Colonel.

# Senior Class Play

The Senior Class Play of 1964 added much to the name of Covington Catholic. The performance of the "Promise Fulfilled" was the richest endeavor of the year. This was the first time that teenagers in this area have put on such a play.

The play could not have been a true success without the intense work and encouragement of Fr. McDermott and Mr. Payne. Because of their instruction and interest the seniors were able to give

excellent presentation. In all there were ninety characters representing almost all the Catholic high schools of Northern Kentucky.

The thirteen scenes of the Play made it necessary for a new stage to be built, more lighting was required, and many stage hands. Even a special make-up department led by Miss Jane Klaene was necessary.

"Are you the Christ, the Son of the living God?"

Pontius Pilate summons a choice between Christ and Barabbas.

The seniors of the Catholic high schools in this area showed wholehearted support for the Play and their hard work was richly rewarded. It is noteworthy to say that it would literally take a whole page of this book to list those who had something to do with the Play. As Fr. McDermott himself said, "No part is so small that it is unimportant; every part is important to success."

Christ is crucified.

Typical Newport Catholic Game

Maher blows another one?

Who's that girl on the left?

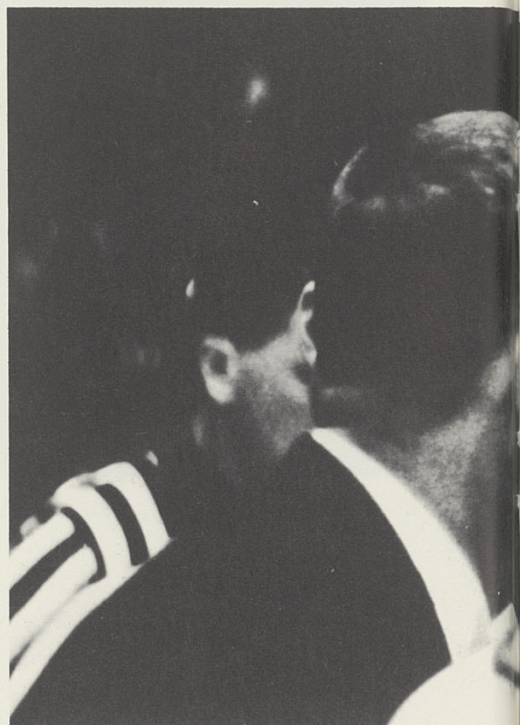

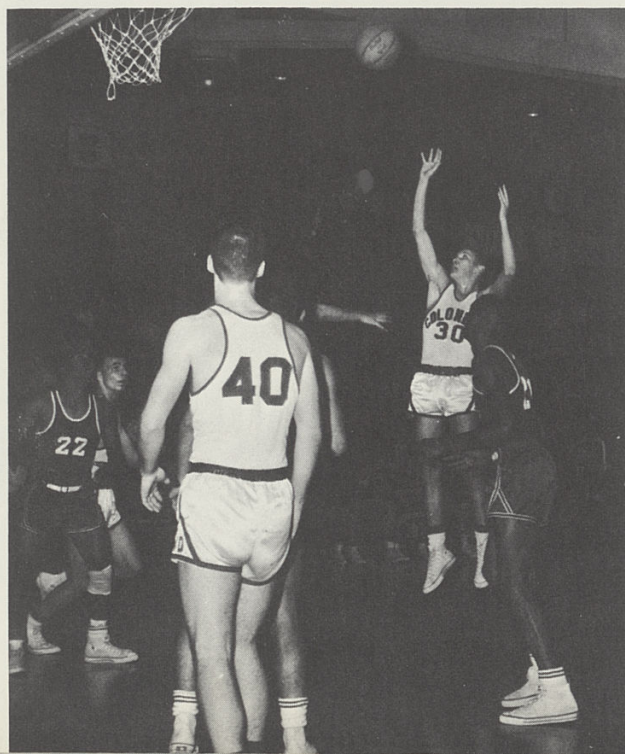

The Varsity Basketball team after losing the services of Coach Naber just before the beginning of the season, managed to come back under coach Mote Hils not only to post a winning season but put some big scares into the ratings of some of the more highly touted teams. The boys with excellent play and hustle, never really got going until midway through the season when they reeled off eight straight victories, including wins over highly rated arch rivals Newport Catholic, and Holy Cross. Coach Hils, formerly head coach of St. Henry, along with a fine backing from the stands managed to quickly get the team in shape after so little notice. The team posted an overall 18—10 record including a victory over Beechwood in the 34th district tournament before bowing in the semis to Regional runner-up Holy Cross, who they had beaten twice before.

Under a new coach, like so many other athletic teams, the Jayvee Basketball team did a fine job for the school. By posting a winning season and showing much promise for the Varsity squad next year. Coach Hep Cronin, in his first year here, showed his all around ability, in backing up both the Basketball and Baseball teams. The J.V. team should donate a lot of its standouts to next year's Varsity team, which depends very heavily on the experience these boys receive while playing J.V. ball.

The Covington Catholic Swimming team, which has always been one of the most successful teams in the school, continued their winning ways this year, although they were raised to the tough "A" ranking class. The team, once again under the leadership of

Fr. Mac, not only posted a great record against the class "A" teams but also was very successful in the State meet when they finished 6th only one point out of fifth place which was quite an accomplishment in this new and extremely harder division.

Another very successful team in 1964 was the very young track team. Coached by Bro. Howard Knachel, and led by athlete of the year Ron Micheal, the team won most of its meets and did very well in some of the larger invitational meets both in our state and in Ohio. The team will lose very much next year in the form of Mike Hugenberg, Jack Keller, Frank Kling, Mike Fox, Ron Michael and many more, but despite this blow Bro. Howard expects big dividends from his upcoming stars.

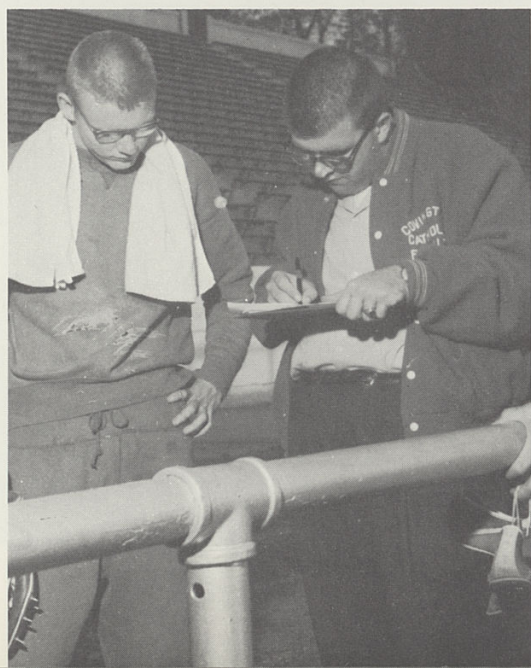

Wait till they hit that mud.

You daring me, buddy?

Featuring a schedule with some of the tougher teams in the area included, this year's Baseball team managed to post a fine season and bring home two trophies for the school. Coach Brockman with the expert assistance of Mr. Cronin, and coaches led the team in spirit and in determination. Their most notable victories were over Holy Cross and Purcell in the Newport Invitational tournament where they finished second to host, Newport Catholic. They also banded home to a second place finish in the 34th district tournament, behind Regional runnerup Ludlow.

15th place.

This year's golf team, could be the greatest team of linksmen ever to be assembled in this area. Among their list of accomplishments are 9 victories and 1 defeat, the defeat coming from a Louisville team which was finished second in the state two straight years. A victory in the regional golf meet. The first regional victory in the history of the school in any sport. The medalist in the regional golf meet, Dan Hurley. A victory over Dixie Heights, their first defeat in five years. The state putting champion Jim Kruer. A 15th place finish in the state meet, in which there are no classes, but just wide-open competition. The team coached very well by Mr. Payne who added the spirit when it was needed most was made up of 2 sophomores 2 frosh and 4 seniors.

# Tennis

Watch the racket break!

It's not often when we come up with teams that are the best in the history of the school, but in 1964 we came up with three. The Tennis team joins the golf and track teams in this noteworthy reign. Under the outstanding coaching of Mr. Geiser the tennis team rolled to six victories, and lost only to Ohio teams, in posting the winningest season in net history.

# Cross-Country

Our Cross Country team made up of mostly freshman and sophomores, and is in the embryo stage at the moment. The team failed to win a meet this year, but faired very well for such a young and inexperienced team. Coach Hep Cronin is looking for big things in the future from his growing Cross Country team.

# ORGANIZATIONS

'64

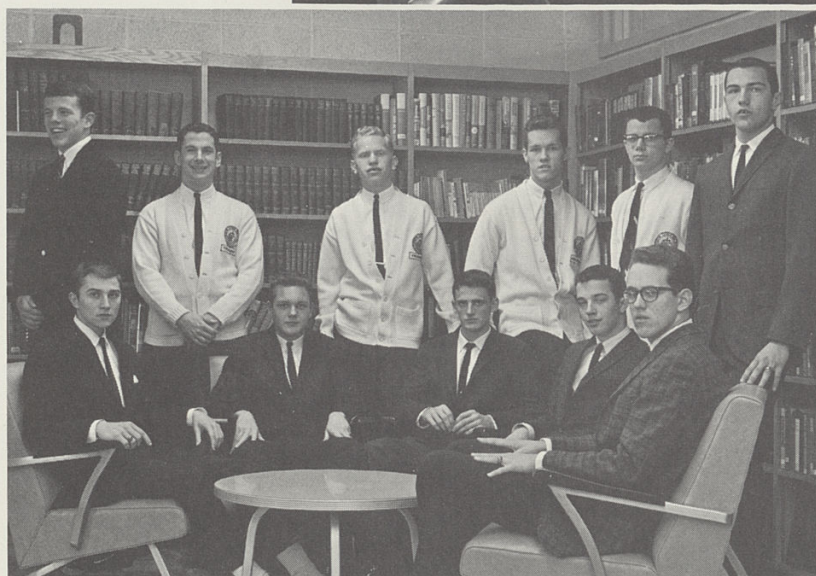

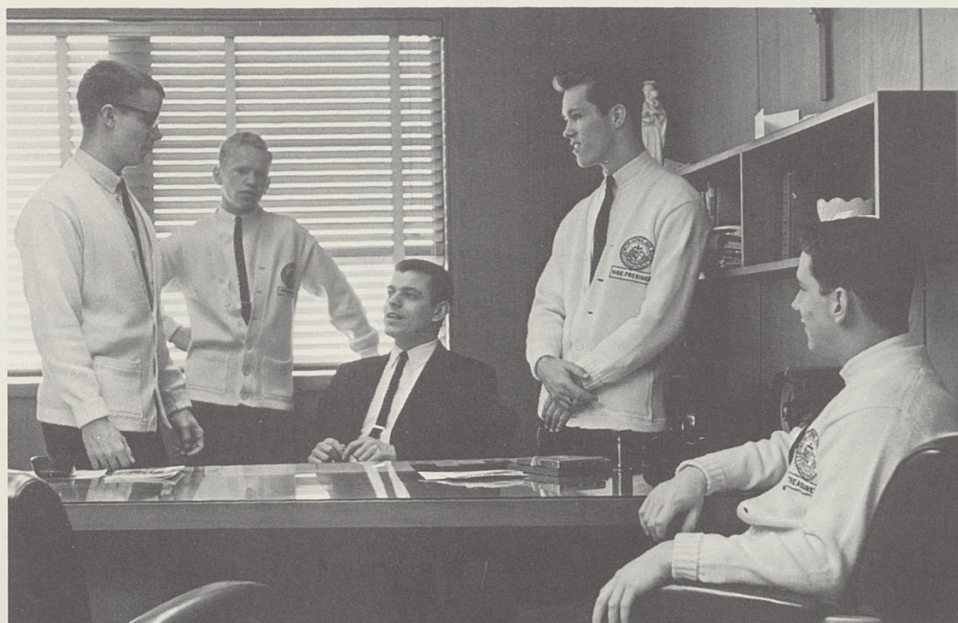

New administration enters with smiles, old administration leaves with full pockets.

# Student Senate

One of the most important organization in the school any year is it's Student Senate. For certainly it is the Student Senate that makes or breaks the school and its spirit.

The many successful activities are a result of the hard work and leadership of the Senate.

We have had a good school and a good year because we've had a good Student Senate. Since the Senate is drawn from the talent within the school, it shows that we have the capability of leadership necessary for greatness.

The officers of the Student Senate met the Most Reverend Bishop in March.

Madamoselle Bette and her "les boys" do "le can can" at "le office." The review received raved notices from the participants, but was forced to close after one perform-

ance due to mobbing by Notre Dame girls. Four of the performers insist it was due to their "appeal." This doesn't explain the ropes.

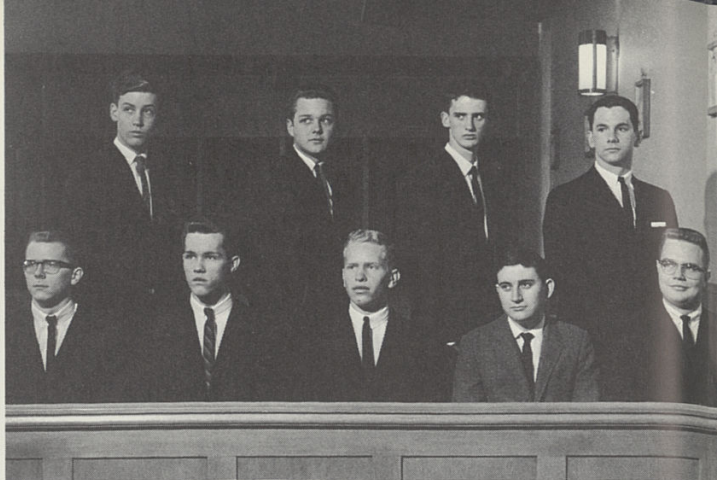

# Sodality

"The Student Senate is to run the school, but the Sodality is to run the student." This is how Jim Wulfeck, Prefect of the Marianist Sodality here at CCH explains the Sodality. The goal of this year's Sodality was making a better school by making a better student.

Spiritual, Moral, Physical, Cultural, these were the battlefields of the sodality. In each of these fields the Sodality strove to bear the torch of Christian leadership to the height of Christian perfection, the Imitation of Christ. "Be another Christ," was its motto, "a son to Mary," its slogan.

## Contact

One of the things that makes our school the thing it is, is its newspaper. Each year the paper manages to find under its changing editors a different point of view and a different flavor from its predecessors. These changes seem to bring about a better reflection of school life as it is.

Under the moderation of Mr. Charles Butler and editorship of Wayne Beimesch the paper became a pacesetter for the whole school in its editorial policy. The only complaint heard was perhaps that there wasn't enough of it. As to the future on this score the principal has said that he favors "a more frequent school publication of some sort."

Left to right: *STANDING*: Jim Kruer, Jim Wulfeck, Mike Dyas, Bob Wermeling, Louis DeFalaize, Len Schoettker, Bill Snyder, and Jim Vogt. *SITTING*: Gerry

Daly, Mr. Charles Butler (Moderator), Tom Wichmann, John Rigney, and Roger Rolfes.

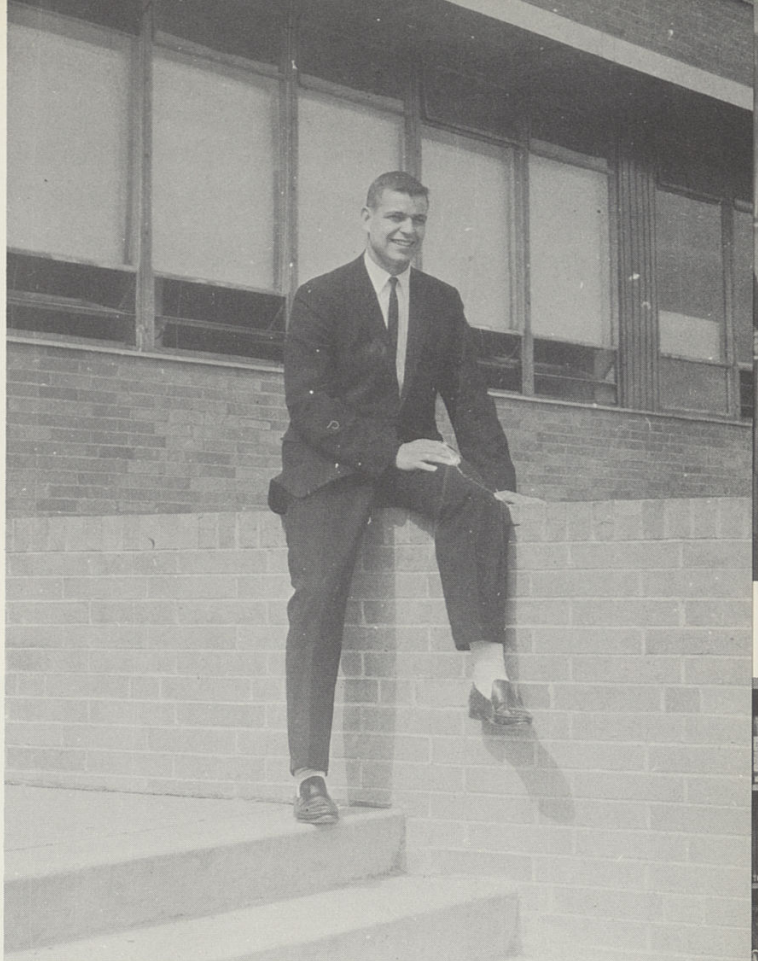

# Speech and Debate

In four years the Speech and Debate Club of CCH has grown quite a bit. Taking its fledgling steps under the tutorship of Brother George Cerniglia, it continued to grow under the skilled guidance of Brother Norbert Broackman, under whom it affiliated with the National Forensic League.

Lately, however, the club has come into full bloom. This year alone the Speech and Debate Club brought home twelve significant awards of various medals and trophies.

The club was regional champions of debate, displaying a fantastic freshman team.

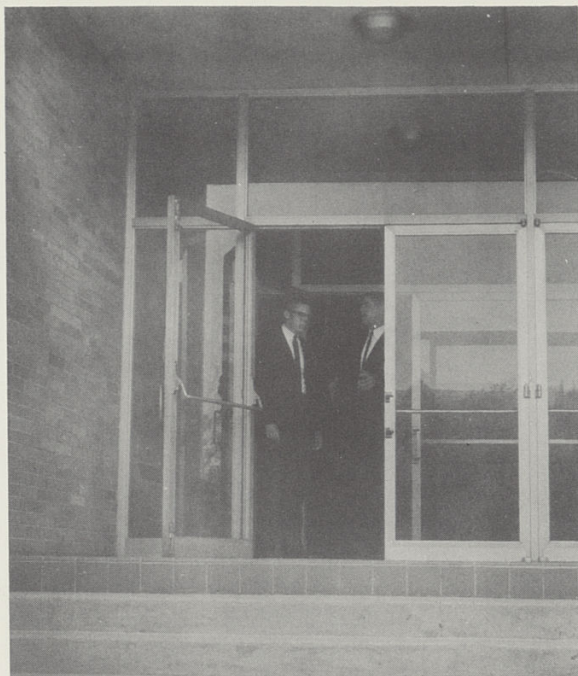

Debate, however, is not the only area in which the club is active. This year's team took part in the NFL Congress and two mock UN meetings. A member of this year's debating team, Louis DeFalaise, won the club's first national award as one of the outstanding delegates.

Len Schoettker, Eric Hilgeford,  
Larry Funke, Paul Tepe.

# Speech

Brother Dan and Len Schoettker talk over plans for State Tournament.

Assisting Brother Dan in coaching the team this year were Brother John Fink and Leonard Schoettker. These did an outstanding job in prompting our teams to victory.

Much thanks should also be given to the Welfare who financed the Washington Trip and also financed the studying of methods in speech and debate at various colleges by some of the Speech and Debaters.

The Debating team just took the toothpaste test.

## Photography Club

The photo club working with Mr. Kasselman is one of the practical working clubs of the school. In addition to pursuing their own interest in Photography the members contribute to the school by doing a great deal of the picture work needed by an organization such as Covington Catholic. Our "flash bulb fanatics" are an active and growing group.

In the field of service the Junior Poster Club has a field all its own. This was perhaps due to the two personalities who ran it, Jim Kruer and Larry Koehl. In addition to making posters the club, which wasn't composed entirely of juniors seemed to have its fingers or at least its members in any project that the school needed help on. Long may the Junior Poster Club reign!

## Junior Poster Club

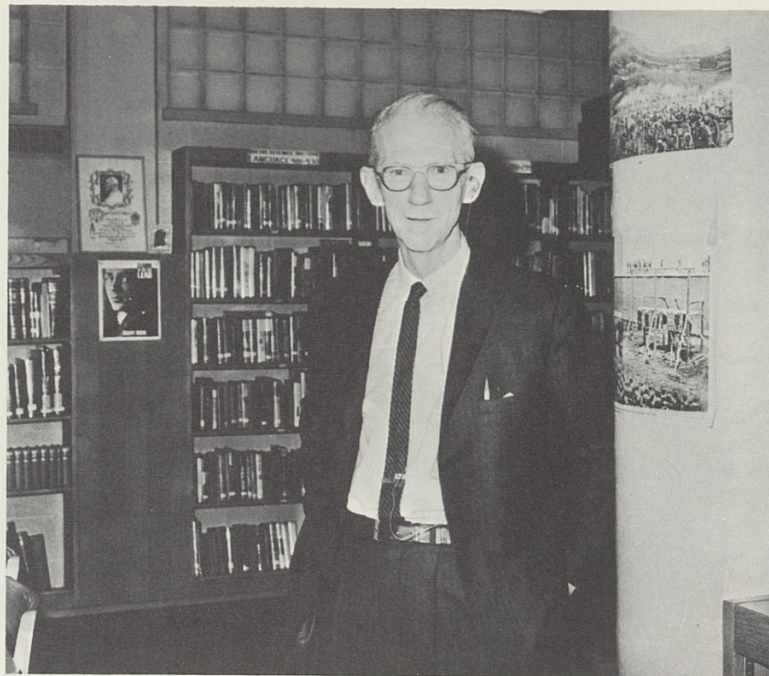

Mike Riedel, Larry Koehl, Dave Nienaber, Jim Kruer, Brother Bernard Hartman, Jim Wulfeck, Larry Schrand, Dennis Meyrose and John Saalfeld.

# Library

"I like Democrats!"

One spot in the school your sure to find students "hanging out" is the library. Lately, it has been suggested that this is due to the superior quality library that we enjoy. This is open to question. However it is a fact that we do have a tremendous library. History is one of the sections that is superior to any

comparable school library.

In addition to doing a great job, our librarian, Mr. Joseph Hackett is personally well liked by many students for his unique style in dealing with all situations. He is one of the features of local color that makes life so interesting and unmonotonous.

Mr. Hackett reads passages from his Bible to Louis DeFalaise and Brian Flanagan.

## German Club

One of the signs of a school's greatness is when academic societies begin to form. The German Club along with several others is such an academic society. Though new it has been very active under Mr. Kaelin, taking part in several competitions with St. Henry's.

Begun this past year, the biology club has shown a tremendous spirit and enthusiasm that has marked it out for immediate success. Field trips, after school work, special projects, all have been undertaken and done with success for this young and dynamic group. Brother Hartman is its moderator and its spark.

## Biology Club

# Physics Club

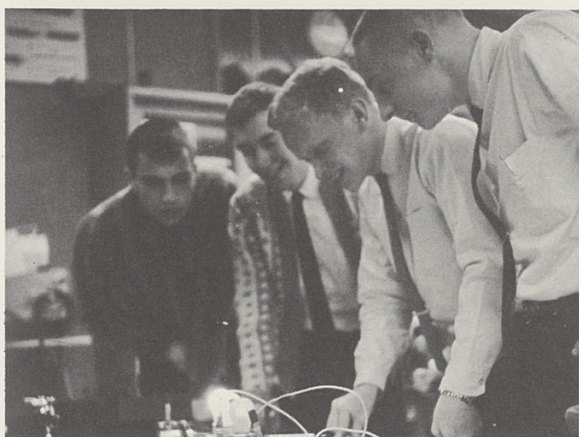

Mr. Kasselmann, club moderator instructs Louis DeFalaize, club president, in final assembly of the Doomsday Machine set to automatically annihilate students in case of insurrection.

"You've got to be kidding, no two transistor radio is going to get Moscow."

Another of the academic clubs founded this year is the physics club. Founded by Mr. Kasselmann, its purpose is to raise interest in the subject and to assist him in various ways in teaching. The club built and assembled various transistorized projects several weeks before the general physics class was scheduled to do so. With this knowledge under their belts they ably assisted the rest of the class.

Members of the club were drawn from Senior A and B Physics classes. Louis DeFalaize was president and Dave Sweet Secretary-Treasurer. These officers were more for organizational purposes as the members pursued their own research projects.

"And there we see the first intelligent communication from a sub-atomic particle. It says: Progress is our most important product. (This has been a paid political announcement.)"

Left to right: Gene Fitzwater (Underclass Editor); Bill Snyder (Activities Editor); Wayne Beimesch (Co-Editor-in-Chief and Faculty Editor); Brother Ken Thompson (Mod-

erator); Dave Sweet (Co-Editor-in-Chief and Senior Editor); Jim Kruer (Sports Editor); Tom Wichmann (Business Manager); Louis DeFalaize (Organization Editor).

jor; Dale Holocher; Dennis Meyrose; Mike Egan; Mike Moser; Bill Hoppenjans and Gary Menne.

# Welfare

The Welfare Society has enjoyed an extremely successful year. Both of the dances and socials it undertook were immensely successful. In addition to help they have given to various organizations within the school they have already this year air conditioned the office and the faculty room. This year's officers are Mr. Lawrence Schell, Mr. John Schulte, Mrs. Betty Meihaus, Mrs. Richard Flanagan, Mr. Charles Frank and Mr. Walter Molony.

# Alumni

Our school has over fourteen hundred alumni. Part of this number is continuously active; others are seen at the summer homecoming or the Alumni mass and breakfast on December the eighth; but all enjoy special ties with Covington Catholic. This year's officers are Mr. Fred Thiel, President; Mr. Bud Stander, Vice President; Mr. Bob Stevens, Secretary; Mr. Art Bohman, Secretary.

"I can remember when all I used to drink here was milk."

# Boosters

Although new this year, this organization has already topped the three hundred mark in membership. Right now their projects are a new tarpaulin for the gym and needed Phys-Ed equipment. It can be safely said that the functioning of the athletic department is made 100% easier by this organization. The officers are Mr. Roy Fessler, President; Messrs. Bud Stander, Richard Egan, and Walter Molony, Vice Presidents; Mr. Robert Stevens, Secretary; and Mr. Art Bohman, Treasurer.
