Brother Richard Heil, S.M.

Although his stay at Covington Catholic was a very short one, many of us came to know and like Brother Dick very much. In the few months that he was here teaching, Brother Dick became a very outstanding member of the Family of Covington Catholic; a member that we will miss. He was very active in unifying the Freshman class and also in building up the spirit of the upperclassmen. For this and for his unfailing interest in the many school activities, Brother Dick deserves the thanks of the entire student body.

Brother Dick and the other Brothers join in the Holy Sacrifice of the Mass in the community's chapel.
