

The school year was a type of "Great Awakening" for the Spiritual-Cultural Committee of the Student Senate. The Father Beiting Drive, the Music-Arts-Drama Festival, and the performance by the Cincinnati Symphony Orchestra were all conducted under the committee's auspices. While many undertakings did not measure up to expectations, all represented a greater interest than ever before in this aspect of student life.

A true Colonel could never forget the Friday night dances or the well-planned semi-formal dances that are put on during the school year. They are the result of the hard work and dedication of the members of the Social Committee. We all owe these members much thanks and praise for their time and effort.
