

The Spirit Committee was perhaps the busiest of the standing committees in this year's student senate. Intramural baseball and basketball, track and field day, and all rallies were the responsibility of this group. Their hardest job, however, was keeping track of the homeroom's standings for the spirit banner. We hope that the strength of this committee will grow in the coming years.

L. to r.: Bernard Brown, William Fleck, Chairman Thomas Thiel, Stephen McCafferty, William Kathman.
