

Band

During its second year, the Concert Band of Covington Catholic has increased considerably. This increase has not been so much in size, but rather in the musical abilities of its members.

The Band and its jazz trio have brought the name of Covington Catholic High School to top standards during the past year by performing in different events and places in the area, such as Notre Dame High School, Fort Wright Civic Hall, Parents-Teachers meetings at Covington Catholic, Coney Island, Covington's Memorial Day parade and for many student events at school.

Under the direction of Brother Thomas Salerno, S.M., the band can play a variety of music compositions consisting of classical pieces, jazz and popular tunes.

We hope that in the future the size of the band will increase and will reach the status of a marching band. If this past year's progress continues, it will not be a hope, but a reality.

"Say! You're pretty good for a one-handed sax player."

"Alright, now try blowing in the small end."
