One of the most spirited homerooms in the freshman division this year was 9A. We were successful in taking the Spirit Banner three out of the four quarters. Thus we were able to win the free day given to the most spirited class. Mr. Schulte, our homeroom teacher, was the guiding light in helping us attain our goal. During the year we were first in such activities as the Campbell Lodge Festival, the Seminary Collection, and the Bishop's Relief Fund Drive.

Almost everyone in our homeroom was in some sort of activity. We had boys on the basketball team and the swimming team. We also had boys on the track, tennis, and baseball teams. Many of the boys joined the sodality and the debating team. I think that most of the boys in our homeroom will agree that they are proud to belong to the freshman homeroom 9A.
