

Homeroom 9B is headed by Father Ray Kacirk. In the first quarter our homeroom entered only one activity, intramural basketball. As a result we finished fifth in the contest for the spirit banner. However, in the second quarter 9B moved up one notch by placing first in the drive for magazines and third in the Campbell Lodge Festival contest; but again we were held down as we had only Vice-President Larry Goetz and Secretary Tom Gilmore with honors. At the end of three periods 9B was again in the fifth place slot despite having Jim Dusing, Larry Goetz, President Gene Fitzwater and Treasurer Mike Egan all playing on the basketball team, and having the number of those with honors showing an increase. Despite these setbacks, next year we intend to win the Spirit Banner.
