Don't tell her that! There's always an outside chance
 you won't be elected prom king next year.

Our class, 10C, started the year lightly regarded in the Sophomore division. However, under the leadership of Mr. Malloy, our homeroom proctor, and a maximum effort by most students, we have become the top class in the Sophomore division and worthy of the Spirit Banner we have won.

We are well represented in sports having four members on the basketball team, four members on the track team, and a member on the baseball team. The fact that we had the best bowling team in the school is another example of our excellence in the field of sports. Our homeroom having proven itself this year is no longer lightly regarded, but rather a class that everyone expects much of in the future.
