

The only ones who won at Kelly Pool were Campbell Lodge and the man with the microphone. What has he got on, anyway? Is it a smoking jacket or a bathrobe?

Father Carl Schaffer's 10B has been a credit to itself, to its division, and to the school. We have participated in almost all of the activities, both athletic and social. Some members of our class are also in the school sodality. The class is proud of its officers, Ken Uckotter, Jim Vogt, Jim Wulfeck, and Joe Spare. We of the class think the officers can be proud of us too! Whether it was the living rosary, the Campbell Lodge Festival or intramural basketball, our class has always participated.
