We, the Blue Grass staff, hope that this annual will keep alive, in the minds of the entire student body, the exciting moments of this past year of 1961-1962.

At the different speech tournaments, held at C.C.H., the State speech tournament held in Lexington, the tournament at Trimbull County High School, and a mock United Nations meeting at Our Lady of Cincinnati College, our debaters became quite experienced in such fields as extemporaneous speaking, original oratory and panel discussion. Their progress through the year was quite gratifying and the future shines very brightly in their direction.

Debaters, *seated left to right*—M. Moser, L. Schoettker, D. Miller, L. DeFalaize, and M. Butler.
Standing left to right—J. Hilgefard, J. Kiffmeyer, P. Foley, P. Gibson, R. Toerner, and W. Bowen.
