

Front: Steve Hellmann—Vice-President, Mr. John Payne—Moderator
Rear: Tom Vogt—Secretary, Mike Fessler—President, and Pat Richter—Treasurer

This year's Student Senate certainly proved itself to be a credit to the school. Holding weekly meetings, the Senate sponsored such projects as the new school jackets, the new spirit banners, the Freshman initiation, the volleyball and basketball intramurals, the track and field day events, the Christmas and Mardi Gras dances, busses to basketball games, and started the plans for constructing two brick walls at the school's highway entrance, which will proudly display the school's name. These tasks, along with the annual job of organizing the Campbell Lodge festival, were the basis of their achievements, almost completely filling their year's schedule. There were, of course, the little odd tasks that popped up; but, these were taken in hand, as they came, so as not to shake the stability of the Senate. Every Senate representative, from Freshman to Senior, helped to build up a year to be remembered. Success was their goal, and achievement was their final result. The Blue Grass salutes the Student Senate of '61-'62.
