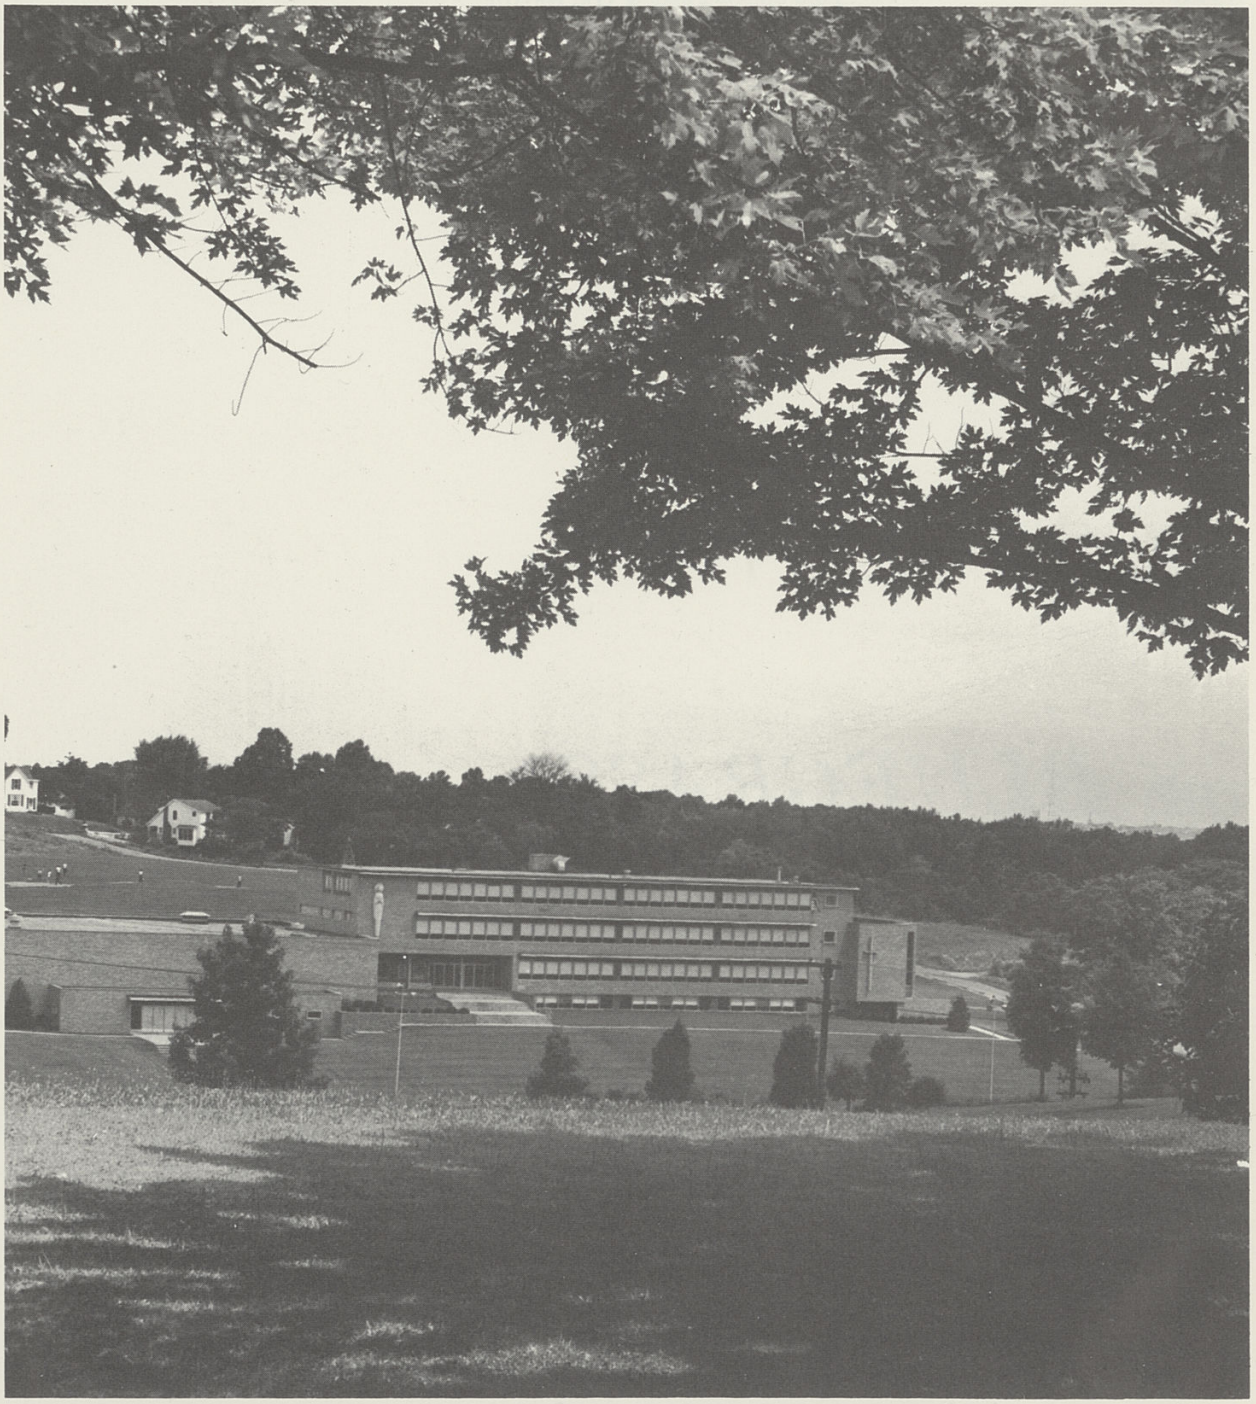
THE BLUEGRASS

Covington Catholic High School
Covington, Kentucky

1965

A Year Worth Remembering

Covington Catholic in Its Tenth Year, 1965



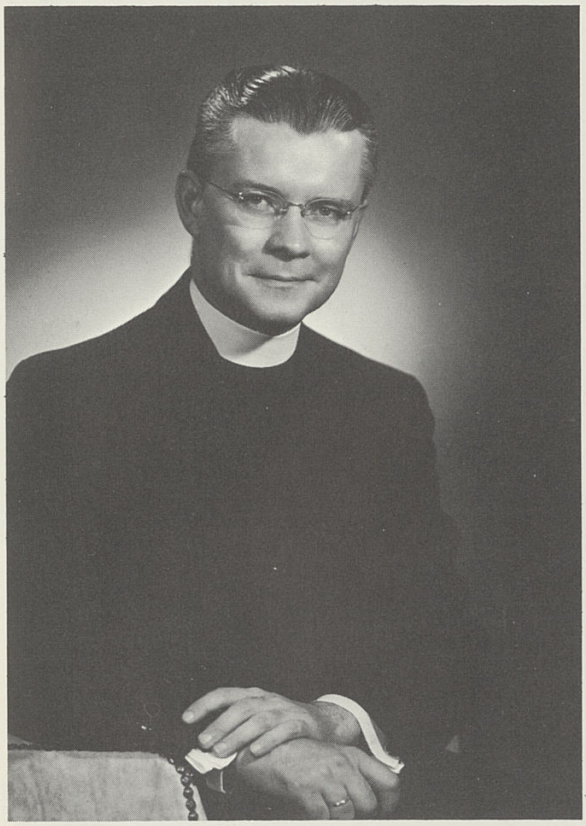
A Year Worth Remembering . . .

The present is the future that we worried about in the past. With the power of ten years behind us; and the desire to keep it moving; we cannot look back at nothing; but only ahead to a limitless horizon.

Bishop of the Diocese of Covington

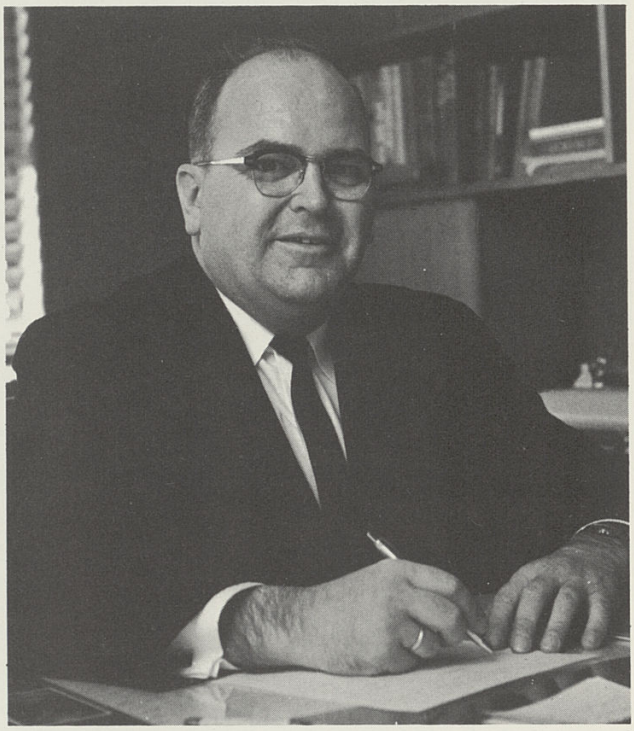
The Most Rev. Richard H. Ackerman, G.S. Sp., D.D.

Provincial--Society of Mary



Very Rev. Fr.--James M. Darby, S.M.

Principal
Bro. Donald McKee, S.M.



Provincial Supervisor, Society of Mary
Rev. Bro.--John J. Jansen, S.M.

Dear Colonels,

In years to come Colonels will thrill to the words "With a Spirit that will not die" now emblazoned on the walls of the gym. They must give credit to the Class of 1965 for placing the giant Colonel and these fighting words forever.

The Class of 1965 is the largest graduating class in the history of the school. 152 seniors have received diplomas. This class also bears the distinction of graduating in the fortieth year of the school's existence.

As in previous years the Student Senate was the powerhouse leading the school on to greater things. The Campbell Lodge Festival, the extensive intramural program, and the highly successful Career Week bear eloquent testimony to the zeal and enthusiasm of the Student Senate.

A good school must be an amalgam of devoted teachers, loyal students, and parents interested in furthering opportunities for progress. All these we have in abundance. The Parents Association made possible the CCH Band founded this year. The new Boosters Club pumped thousands of dollars into the physical education and athletic departments.

Gratitude is due the Pastors who make up the governing Board of CCH. It is they who built this school and who have had to bear a large part of its financial burden over the years. The Most Reverend Bishop and the Superintendent of Schools praise us for the good being done and constantly encourage us to find ways to improve ourselves.

Catholic education is judged today by its products. Thousands of dollars have been expended for your education. Priests and Brothers have given their lives for you. Dedicated lay teachers spurn higher paying jobs to give you a Catholic education. The way you live now and the rest of your life will bear out whether or not these sacrifices were really worth making. Live for God now and always.

Sincerely yours in J.M.J.

Brother Donald McKee, S.M.

"BLOWIN IN THE WIND"

How many roads must a man
walk down before they call him a man?
How many seas must a white dove
sail before she sleeps in the sands?
How many times must the cannonballs
fly before they are banned?
The answer, my friend, is "Blowin
in the Wind"
The answer is "Blowin in the Wind."

How many years must a mountain
exist before it is washed to the sea?
How many years can some people
exist before they are allowed to be free?
How many times can a man
turn his head and pretend
that he just doesn't see?
The answer, my friend, is "Blowin
in the Wind"
The answer is "Blowin in the Wind."

How many times must a man
look up, before he can see the sky?
How many ears must one man
have before he can hear people cry?
How many deaths will it take till
he knows that too many people have died?
The answer, my friend, is "Blowin
in the Wind"
The answer is "Blowin in the Wind."

GOOD LUCK COLONELS!
