

a hundred and one pounds of fun, that's my little honey bun.

Father mac's production of **south pacific** proved to be an overwhelming success. As the first stage lights came on, the audience was awed by the magnificent twenty-foot waterfall and the smoking volcano. The leads were as follows: as emil - pat feighery and greg carstens; as nellie - debbie tranter and pat feldman; as lt. cable - bill kreeb and bob richter; as bloody mary - marsha conway and jackie burns. The crowd received an exceptional thrill from gary epplen and steve mccaafferty in the honey bun scene. The production was viewed by over 4,000 people and others still had to be turned away. The cast's and the crews' hard work was very well rewarded.

tell ya what I'm gonna do.
