

lodge festival

This annual gala event for the benefit of campbell lodge boy's home was a greater success by far than in past years. Each division put forth much effort in preparing their booths for the affair. Long hours were spent by many in transforming the gym into a colorful kalaide-scope of crepe paper, cardboard, and flashing lights. Many prizes were raffled, ranging from a live puppy to a honda scrambler. The cafeteria was packed as everyone danced to the music of the corvairs. Truly this goes to show what the students of CCH can accomplish when they are unified in one effort.
