

regional champions

Our colonels once again proved to be the basketball power in northern kentucky by bringing home the 34th district and 9th region trophies. The repetition of last year's feat was only the second time in the history of the school. Being heavy favorites had no jinx on our cagers as they made a return trip to the "sweet sixteen." Easy victories over ludlow and beechwood earned the district title for catholic. In doing so three players were placed on the all district team. This honor was given for the second time in as many years to randy noll and jimmy cooper. joe voskuhl was also chosen. Next they downed highlands, dixie, and campbell county by comfortable margins. Thus making covington catholic the best team in the region and securing a berth in the state tournament.

All-scholastic, all american, randy noll adds two more.
