

## DEVOTED TO

The principles of democracy—freedom, fraternity, fidelity. A government of the people by the people and for the people, in whose eyes all men are created equal, endowed with certain unalienable rights. These ideals are perpetuated through the education of the youth of America. We, the youth of today will be the men and women of tomorrow. It will be up to us to make it an everlasting one. Therefore, it is with deepest sincerity that we devote this book to the ideals of Americanism.
