

Future Homemakers of America

VERA MAE STIVER	PRESIDENT
KATHERINE FRITZ	VICE-PRESIDENT
MARJORIE PALLMAN	SECRETARY
MARJORIE SALYER	TREASURER

We started our F. H. A. activities this year by selling refreshments at basketball games. Next we purchased attractive pins in the shape of spinning wheels for some of the members who wanted them. One of our amusements this year was our trip to Cincinnati to see the Boone County Jamboree. We enjoyed working with the F. F. A. in sponsoring the Easter Egg Hunt and in giving a banquet for parents. We decided to make an F. H. A. emblem of blue and gold for our club room.

Future Farmers of America

With the help of the Future Homemakers of America, we, the members of the Future Farmers of America, sponsored a Father and Son — Mother and Daughter Banquet.

We had a Pest Hunt in which Thurston Hounshell won first place and Ralph Heitz, second place.

Ward Lindenmuth and Donald Wallace entered the Public Speaking Contest, competing with students from seven counties. Ward Lindenmuth earned second place in this district contest.

We held our annual Easter egg hunt with the F. H. A. on April 12.

We have had a full calendar with our bi-monthly meetings.
