

## Chorus

The chorus is composed of eighty members. They have made seven public appearances. This year the chorus has specialized in classical and modern music. Several students from this group were chosen to sing in the All-County Chorus held in Dayton.

## Dance Orchestra

The dance orchestra, organized by Mr. Raz, consists of fourteen members. This group of musicians has been very helpful in playing for our dances after the basketball games and for the music for the Musicales given in April.
