

To Bill

Downer

WE HONOR

ALTON F. DOWNER

"Tony" Downer has been more to us than an able band director. As our Senior Advisor he has made our last year as M.H.S. a very cheerful and profitable one. His witty humor, erect posture, and "Van Johnson looks" will be remembered by all of us in years to come. To you, Tony, with our sincere affection and gratitude we dedicate this Chieftain.
