

NATIONAL THESPIAN

National Thespian, organized last year, has become a fast-growing organization at Mariemont High School. National Thespian is a national honorary organization in which ten points must be earned for membership. This can be done by acting in plays, seeing dramatic stage productions, and doing various jobs in the field of dramatics. For earning extra points special honors are awarded.

This year Nancy Nesbitt was the very capable president. Giving her assistance as vice president was Maridel Travis. Barbara Paulson was secretary and Shirley McCracken, treasurer. National Thespian's plans for the year included the presentation of a dramatic production in the spring.

Next year National Thespian in co-operation with Masque and Mantle hopes to buy lights for the stage.
