

# GAA

The Girls' Athletic Association has had a very eventful year with a new sponsor, Miss Barbara Conaway, and a full schedule of inter-scholastic games. This year's activities have included field hockey, basketball, bowling, swimming, softball, and tennis.

Immediately following the boys' basketball season G.A.A. held the terrific Basketball Bounce. In late May it had the annual banquet with a guest speaker and awards. Thanks go to Miss Conaway for making this an exciting year in G.A.A.
