

chieftain

Time + cooperation + work + more work = the '58 annual.
That is the formula not only for the '58 year book, but any year book.
We of the Chieftain staff have put much effort into this book and
we hope that it will bring back many happy memories to you!

warpath

Deadlines, deadlines, deadlines —
a familiar word to all members of the
Warpath staff. It seemed that as
soon as we managed to put out one
paper and then paused to catch our
breath, it was time to meet our next
deadline. It was lots of work and
worry, but it was fun working together
to put out what we thought were the
best Warpaths ever published at
M. H. S.
