This year's football season was one of the best in the history of M. H. S. The team started practicing on August 20th with one thought in mind, to win every game. Before we could win, we set three goals which we must attain. The first was to beat Milford. They had won their League Championship the year before and were out to win this one. The second was to win the League Championship. The sports writers picked us to do it and we had to live up to it. The third goal was to have an undefeated season. It is a terrific feeling to know that none of your opponents can beat you. It also adds to the glory of winning your League Championship.

Our first game of the year was played at Lockland. Our defense was a big factor in this game, holding them scoreless for four quarters. When the final gun went off the score read: Mariemont 25, Lockland 0, and Lockland ended their season M.V.I.L. Champs.
