Chorus

Something new has been added to the chorus this year — boys. Forty brave boys joined the chorus and added a great deal to the harmony. A mixed chorus is a project which has been talked about for many years, but was accomplished for the first time this year.

Chorus meets five days a week; the boys on

Monday and Wednesday, the girls on Tuesday and Thursday. The combined group meets on Friday in the auditorium.

We have been very active this year entertaining the Mariemont Guild, P.T.A., and music assemblies. Everyone enjoys the mixed chorus and plans are being made to continue it.
