

Intramural Basketball Champions

The Fieno cagemen marched to their second consecutive intramural basketball championship this year. Captain Joe Fieno organized his crew when he was a freshman in 1951. Only two other members, Bill Osswald and Leigh Ansell, remain from the original 1951 team. Jerry Mullenix, Gene Shea, and Phillip DeCamp joined the squad this year to round out the six man team.

During its four year existence the Fieno team has won 33 contests and has lost only 7, as it captured two championships and one runner-up title.

Cheerleaders

Every athletic event needs leaders to help the crowd cheer the team on to victory. The girls shown in this picture were selected to do the job of supplying strong support behind the team throughout the season. Led by senior Jane Averill, the four gals did a grand job

of working out cheers and getting the school ready for a game by having rousing pep assemblies.

We take pride in the good conduct and sportsmanship of our cheerleaders.

Jane Averill, Jean Prachar, Becky Walthall, Nancy Doll, Carla Schuettler
