

Varsity Basketball

This year's basketball team got off to a fairly slow start, but by mid-season it had proved its ability. Due to frequent changes during the season there was no definite "first five" for more than three games at a time.

The Warriors lost their first game of the season to Terrace Park (54-52), and speculation began as to whether or not the team had what it took. Later on, however, the team proved to the coach and fans that it was one of the top contenders in

the M.V.I.L. by defeating such teams as Lockland, Wyoming, and Greenhills.

At the end of fourteen scheduled games Mariemont had a seven and seven record. Enough of these seven wins were league games to put the Warriors in second place at this time.

Seniors leaving this year will be Steve Gerard, Bill Bausmith, Carl McCallum, and Ray Thompson. The juniors are looking forward to a very successful season next year.
