

Sue,

you are one of my closest friends,  
and I will never forget you.

Remember the <sup>fun</sup> we had reading Bob's  
mail and playing train when we  
spent the night together.

I sure wish I could be here next  
year to go skating upon Rock Hill  
Lane with you. We really had a  
ball that day clearing off that  
lake.

Gosh, Sue we have had too much  
fun this past 1 1/2 year to write  
on paper, so good luck in what  
ever you do and I'll come back  
to visit real soon.

I'll really miss you loads.

Barb,
