Bronco Busters' Bounce

Bali Hai

Long live the King! Long live the Queen! These are the shouts that echo in the rafters of M.H.S. at each traditional dance given in honor of football, basketball, or just to celebrate a holiday. It's quite an honor to be chosen royalty; for it means that you are not only popular but also a credit to your team and school. Two of the Royal teams walking among us are Rick Pauly and Jeanne Condit, King and Queen of the Football Royale and Dick Crone and Sue Seale, King and Queen of the Basketball Bounce.
