

# Track—Aching Muscles, Guts,

Meet the champions of the Lockland Night Relays and the Harrison Relays. The 1958 Blue and Gold cindermen were feared and admired at every track meet they attended. The loss of the Eastern Hills League meet by one point was a grave end to a courageous season. Mariemont's men swept nearly all opposition in triangular meets while earning praise from all spectators concerned.

"Flying" Gallagher winds up.
