

Flying Rackets Twang While

BACK ROW: Dick Garver, Dave Lindsay, Bob Myers, Bruce Voorheis . . . FRONT ROW: Bill Bredenfoerder, Denny Casper, Rich Isphording, Coach Shafer.

The tennis team turned in a creditable season, copping eleven out of sixteen regular season events and showing to good advantage in all the tournaments. Next year big things are expected from underclassmen. The racketeers defeated a highly favored Wyoming team and also took the measure of all the Eastern Hills League teams—a most successful spring.

The backhand stroke is demonstrated by Dick Garver.

Denny Casper serves one up.
