## Hi-Y

Under the capable supervision of Mr. Ralph Sininger, this year's Hi-Y has enjoyed one of its most active and profitable seasons to date. Even the annual events seemed to have been a greater success. The fall hayride to Handle-Bar Ranch turned out to be a great success with twenty-seven couples attending. Our annual orphans' Christmas party that Hi-Y co-sponsors with the M-Teens, was attended by twenty orphans from the Madisonville Children's Home. Bob McClure, our vice-president, dressed up like Santa Claus, and a fine one he was, too! Of course, Hi-Y's curriculum included the usual number of speakers, movies, and swimming.

Besides the usual activities, Hi-Y branched out into various other fields. This year for the first time we joined M-Teens in sponsoring the "Highland Fling." The colorful crepe paper ceiling was our contribution. This year's Hi-Y was active in World Service also. We distributed Muscular Dystrophy collection cans in all the local stores.

We also became active in the Youth and Government conferences held throughout the year by the state YMCA. For those interested in government, this led to the Model Legislature at Columbus in the latter part of the spring.
