Tennis

Mariemont High School acquired a new tennis coach for the 1956 season. Mr. Moore proved to be one of the finest coaches our tennis team has had for several years. The Warrior's Tennis Team returned in 1956 with seven seasoned lettermen. The positions were held by the following people: Rich Isphording (1s), Bill Bredenfoerder (2s), Dave Lamb (3s), Bob McClure and Dick Crone (1d), Bob Myers and Dick Garver (2d). At the end of the season Crone and Lamb exchanged positions, and Dave Lindsay took over Garver's place.

The record of the team for this season was not outstanding. There were four wins and eleven losses, but six of these losses were by a two-three score. These losses could easily have been wins. Of the entire team the first doubles had the best record. They tallied eight wins and seven losses.

An outstanding achievement was the winning of the MVIL Tourney. To do this Mariemont beat Wyoming three to two in the first round, and swept to a five-zero victory over Lockland. This finished up the season successfully and brought deserved honor to the team.
