The History Club Is On The Move . . .

The History Club has been on the move for a good part of this year. Mr. Herrlinger and Dennis Riedmiller (Pres.) planned many trips and experiences for their interested group. They have visited Grant's Tomb, and Cincinnati's Art Museum just to mention a few. A trip to Chicago during the summer has also been planned.

The History Club has also brought many interesting individuals here to speak in school assemblies throughout the year. A talk on drugs was presented by Mr. James Banta; not to mention the assembly on the "Generation Gap" given by long-haired Dr. Thomas Banta.

Student Council had gains in areas of both major and minor importance this year. Problems with the removal of the speedbumps in the driveway were pursued and were eventually overcome. Council members also participated actively with discussions with the parents on the Dress Code and the Moeller academic situation with recommendations for change in both areas. At this time, academic changes are on their way but the Dress Code still remains unsolved.

Council took a stronger stand on several heated issues during the school year than any other Council. Over all, results were that the students are interested and want a say in what is going on at Moeller and at the same time are willing to accept and handle responsibility well.

The Junior Newspaper

In August 1969, the JUNIOR NEWSPAPER was born in the mind of one Dennis Riedmiller, who brought it to school in September. There it was developed and discussed with the help of a few other students who organized the first publication.

Mr. Mike Pennock, with his background in journalism, was asked to moderate the paper helping to make it a success.

The Juniors were the only division that had a newspaper to express their own views; however, the Seniors did have the 4-D NINER which caused much enjoyment as well as excitement.

Big Brothers

The Big Brothers of Moeller is not an ordinary club, at least, not to a certain group of orphans at St. Aloysius. The Big Brothers traveled to the orphanage weekly to visit and play with the orphans who need that special attention and guidance only a Big Brother could offer.

The main event of the year was the Christmas Party. The kids enjoyed the visit from Santa, the presents, the lunch, and the games in the gym.

In the future, the Big Brothers hope to be provide more guidance and help to the orphans.

The Moeller unit of the Greater Cincinnati Safety League has had quite an active year. During the latter part of August, the Moeller safety council was responsible for painting the entire parking lot. They held the first road rally of the year on October 5 with Loveland and Mt. Notre Dame. During the following two weeks, the GCSL was put in charge of the parking for the fall festival, and of the "Homecoming Parade." On March 8, 1970, the Moeller GCSL unit held a second road rally with Ursuline Academy. Also Moeller has contributed to much of the paper work of the entire league.

Many of the students of the league have contributed greatly to the GCSL in individual efforts. Among these are Mark Schuster, who designed the GCSL float for the St. Patrick's Day Parade, and Steve Kolkmeyer who was one of the main organizers for the same parade. Kevin Martin held one of the highest positions in the league as Vice-president of Traffic Operations. Dave Hildebrandt worked on much of the technical and paper work for the league. Bill Lemon did the same as "Dippy Dave".

Moving Ahead . . .

The Speech and Debate Team, moderated by Bro. Joseph Clark and Mr. James Crone, had another fantastic season participating in many tournaments and bringing home nine trophies and thirty-one ribbons.

The senior team, including Capt. Steve Simendinger, Co-Capt. Joe Budd, Dave Marcus, and John Sweeney, participated in the Ohio High School District Tournament qualifying them for debate in the National Forensic League Districts. They took part in debates at Fairmont East, Upper Arlington, and Newark. Senior Dan Sedmak also gave great deliveries in oratorical declamation.

The Junior brought honor to Moeller through debate, extemporaneous speaking, and original oratory. Mike Heitzman received awards in the catagory of original oratory and Gregg Swinarski made outstanding achievements in extemporaneous speaking.

Sophomores Mark Fette, Norbert Schutte, and Robert Weber and Freshmen Tim Morand, Don Sabastianelli, Terrance Stecz, and Robert Vieson were also outstanding in their special categories of Speech and Debate.

"See How They Run"

This year the Drama Club, under the direction of Bro. Elmer Lange (The Big "L"), presented a fantastic performance of the off-broadway hit "See How They Run", which was held over four days in November. The huge success of this play spurred many viewers to come to the troupe's spring production of "The Odd Couple" written by Neil Simon. Also, the players sent a One-Act Play entitled "Take Care of Business" to the Princeton Acting Tournament which received ratings of good, fair and excellent from three separate judges. After coming from such a successful year, the club is looking forward to bigger and better things next year.

At the end of the 1968-69 school year, a new club was formed at Moeller--TOUCH. The basic philosophy of TOUCH is to develope the INNER SELF. The members held their first meetings at the Student Center in Clifton, where ideas were brought forth and goals were formed. Several meetings were held during the summer of 1969 but things didn't really start moving until the fall when school started. TOUCH was responsible for student masses, helped with Sophomore and Freshman retreats, worked at Hospitals, and tried to promote a christian atmosphere here at Moeller. This group has indeed contributed a sincere service to the school and the community.

The Catholic Student Mission Crusuade (C. S. M. C.) was very active this year in trips to Appalachia helping the poor build houses and cleaning the area around them. They also went downtown to Millville (Housing Project) taking the neighborhood children on picnics and to the zoo. We congratulate them for their good works and Moeller Christian Spirit.

Seniors IV

The Seniors IV, consisting of Bill Rahe, Jim Siciliano, Bill Greiner, and George Metz, made a great comeback in the second half of the season to take 2nd place in the Intramural Bowling League to the champion Alley Cats. This was Bill Rahe's third year in the league, while the other three were in their first year. Their final record was 50-10. Jim Siciliano finished with second high three game total of 618. The combined team average was 620. Co-captains Jim Siciliano and Bill Rahe led the team with 167 and 160 averages respectively.
