

STUDENT COUNCIL

Student Council of Moeller High School is a representative organization with 29 elected students and many more who volunteer their time to help on Council Projects. The executive board of 1968-69 consisted of Pres. Jim Millette, Vice Pres. Neal Novak, Sec. Dave Dirr, Treas. Dave Keller, Parliamentarian Larry Smith, Jun. Pres. Steve Ashbrock, Soph. Pres. John Brogan, Frosh Pres. Greg Litmer. Among the many activities run by Council during the year was the hosting of the second Marianist Leadership Conference in November of 1968. The three day conference had participants from the Marianist Schools in Eastern U.S. and Canada. Guest speakers, Senator Maloney, Bro. O'Neil, SM, and Fr. Whyte, emphasized the role of Student Council in education, the importance of communication and group dynamics.

Student Council took on the Intramural program, Poor Family Project, Christmas Assembly, the entire Homecoming planning (with innovations of Fireworks, more floats, and the Miss Moeller contest.) Also very active were the Social, Cultural, and Spirit Awards Committees. (The Social committee's biggest dance -- Classics IV). The Inter-Club Council helped the clubs make better use of funds available and aided in publicity. The Dress Code Board helped and brought about important changes in these regulations.
