Coordinated with one of Moeller's sister schools, Mt. Notre Dame, the Moeller Spanish Club achieved its third year of recognition. The purpose of the Spanish Club is to further aid the student who is studying Spanish to better appreciate and understand the people, customs, and culture of the lands where the language is spoken.

Under the direction of two capable moderators, Mr. Charles Blanford and Sister Rose Joseph, the club had some very successful meetings. The Spanish Club had a panel discussion that involved exchange students from Spanish speaking countries and other nations as well. For Christmas, the club exchanged inexpensive presents and broke a pinata filled with candy.

The Spanish Club for 1968-69 was headed by Thomas, Parkes, president; Neil DuMont, vice-president; Mike Speed, secretary; Thomas Moeller, treasurer.

CLASSICS CLUB

The Classics Club seeks to familiarize students with the Greco-Roman culture, laws, language, art and thought, which forms the basis of Western civilization.

As a chapter of the Cincinnati Classics Club, members participate in various functions sponsored by this organization throughout the year besides bi-monthly meetings, such as: the Classics Workshop held at Xavier University, and the Roman Banquet, an annual event held in the spring.

Tom Scherman, a club member, won \$500 in statewide scholarship competition sponsored by the Junior Classical League of which the Moeller Classics is also a part.
