

# CONCERT BAND

The 1968-69 Moeller High School Band under the direction of Bro. Joseph Tragesar and assisted by field drum majors Mike Fitzpatric and Rick Hagee, was the most active in the history of the school. Marching at all football games, along with leading the Homecoming Parade, the band gave many enjoyable performances. The Pep band took over during the basketball season and played at all home games. The band also played at all athletic assemblies.

Our band in its sixth full year, represented the school in three annual parades; the Holy Name Parade, the St. Patrick's Day Parade and the Memorial Day Parade; and three special performances: the Kenwood Plaza Christmas Parade, bringing in Santa Claus; and the premieres of two shows at the Kenwood Theatre: "Finian's Rainbow," and "Funny Girl".

The Concert Band played to many receptive audiences over the school year. The Christmas Concert, given to the public, parents and student body was enjoyed by all. The Spring Concert, a combination of pop-music, marches, concert arrangements, was a delight for those in attendance. The band was joined at both concerts by the Mt. Notre Dame Club, and the band performed at both Mt. Notre Dame Concerts.

The Stage Band, consisting of twenty band members, under the direction of Mr. Paul Dickman, participated at the Christmas and Spring Concerts and at Mt. Notre Dame. The band also was in a contest at Walnut Hills High School in march in which it placed second.

The band officers, a hard working group, were: Mike Fitzpatric, president; Rick Hagee, vice-president; Dan Hunt, secretary; Dan Vonderhaar, treasurer; and Gary Rossignol, librarian. Other Senior members of the band are: Tom Dressman, Ralph Gerdes, John Catalano and Steve Meinking.

Five band members were in the Catholic High Schools Honor Band. They were: Senior Mike Fitzpatric (baritone), Senior Dan Hunt (trumpet), Senior Tom Dressman (tenor sax), Senior Gary Rossignol (clarinet) and Junior Rick Fitzpatric (baritone-sax).

Bro. Tragesar leads the band at Christmas Assembly.
