

### DON'T QUIT

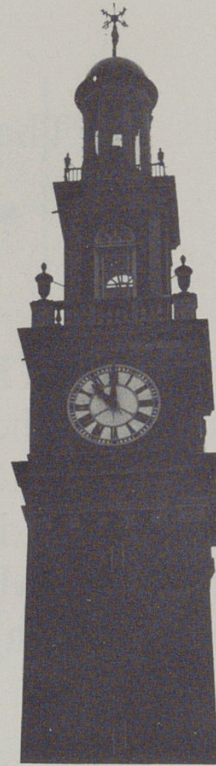

When things go wrong as they sometimes will,  
When the road you're trudging seems all uphill,  
When the funds are low and debts are high,  
And you want to smile, but you have to sigh  
When care is pressing you down a bit,  
Rest, if you must — but don't quit.

Life is queer with its twists and turns,  
As everyone of us sometimes learns,  
And failure turns about  
When he might have won had he stuck it out;  
Don't give it up, though the pace seems slow —  
You might succeed with another blow.

Often the goal is nearer than  
It seems to faint and faltering man,  
Often the struggler has given up  
When he might have captured the victor's cup.  
And he learned too late, when the night slipped down,  
How close he was to the golden crown.

Success is failure turned inside out  
The silver tint of the clouds of doubt —  
And you never can tell how closer you are,  
It may maybe near when it seems afar;  
So stick to the fight when you're hardest hit —  
It's when things seem worst than you mustn't quit
