1989-1990 Review

Gentle slopes and lofty tower
Radiant in the sun.
Arching bridge and shaded valley
All our hearts have won.

Withrow's beauty, Withrow's splendor
Fill our hearts with pride.
Love for you our Alma Mater
Ever will abide.

Friendships made in search of knowledge
Cherished bonds and true.
Memories of golden hours
Hold us close to you.

As we venture from your portals
Aims held ever high.
We'll turn back to glimpse once more
The tower 'gainst the sky.

Pep Rally

On Friday 13th, Withrow students and staff got ready for the Annual Homecoming Pep Rally. The Homecoming activities at Withrow are usually filled with fun and lots of school spirit, and believe me this year was nothing different. In the stadium at 1:15, we all gathered to witness the talents of our peers. The event featured a solo, by one talented senior, and

several dance numbers.

Shortly following the program was the Parade down Erie Ave. and Madison Rd. The two streets were lined with the familiar faces that greet us each year, and the colorful floats prepared by the clubs and organizations of the school. The Parade led us right into the beginning of the game.

"Ain't nothing like the real thing"

Homecoming King & Queen both did justice to their titles.

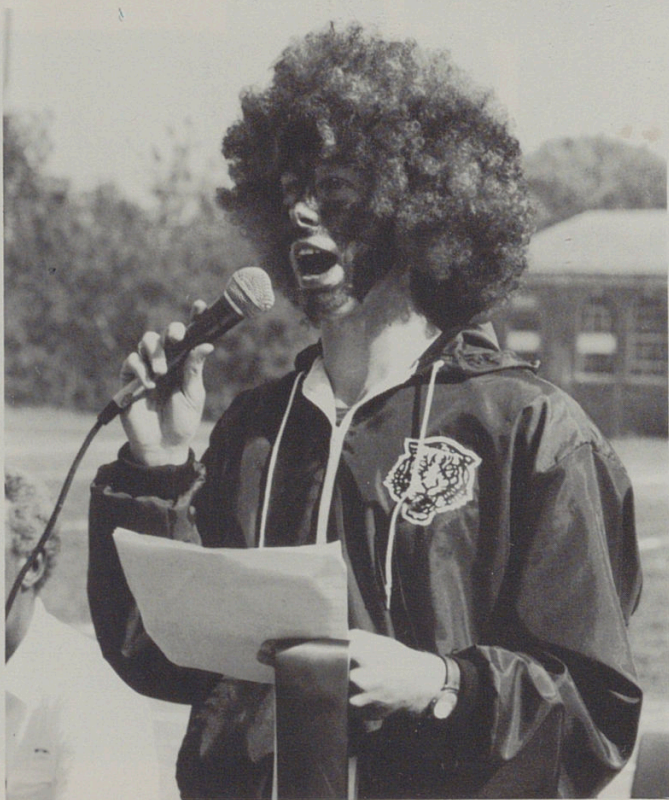

The Brass section shows what they are made of.

M.C. Brian Jones (should anyone have THIS much school spirit?)

"Yeah Boyz."

Homecoming Parade

Ms. Soldavia and friends were very festive.
Student Council float got the first place award.

This one got good markings.

Drill team

The Pep Club is always excited
The Marching Band is never off
beat

The Homecoming Game

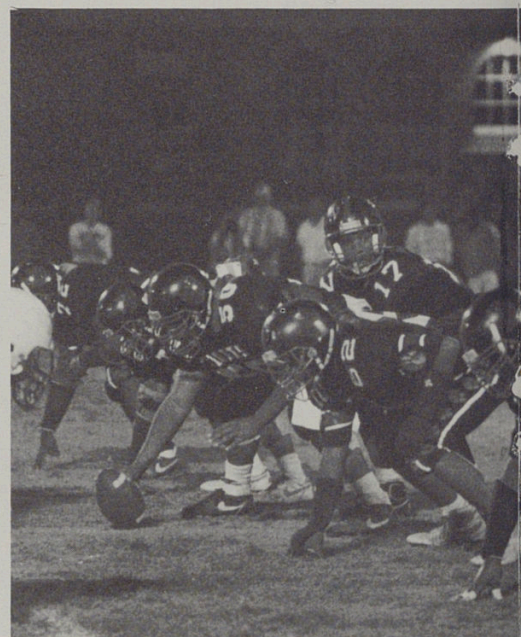

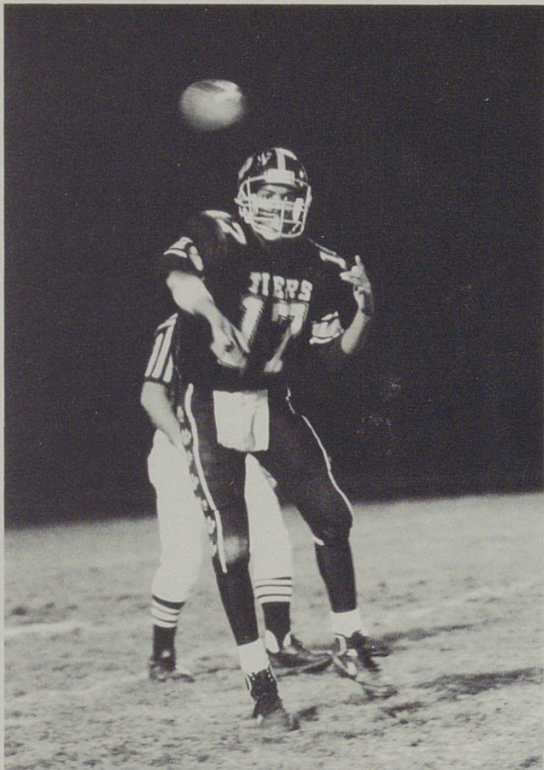

Coach Mueller's expression sort of sums it up!

At least we got an "A" for effort.

"Hey guys, what are we going to do?"

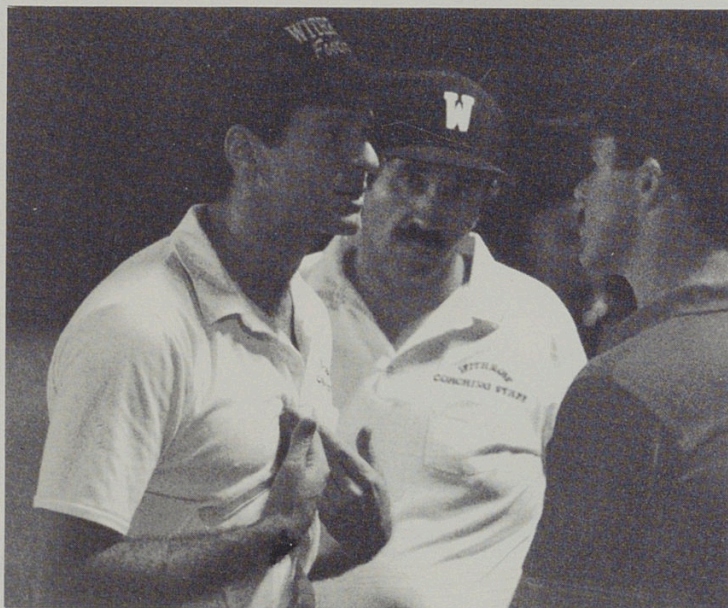

Hu ... Hu ... Hut ... Hike!

Another fine pass by Antonio.

Unless your superstitious Friday 13th means absolutely nothing to you, but there are many people who would blame the outcome of the game on the date. Our roaring Tigers lost the 89' Homecoming game 19-6

to Western Hills. Don't get the idea that Coach M's guys were slacking up. They played a hard game and gave it their all. And after all **WITHROW WILL ALWAYS BE #1.**

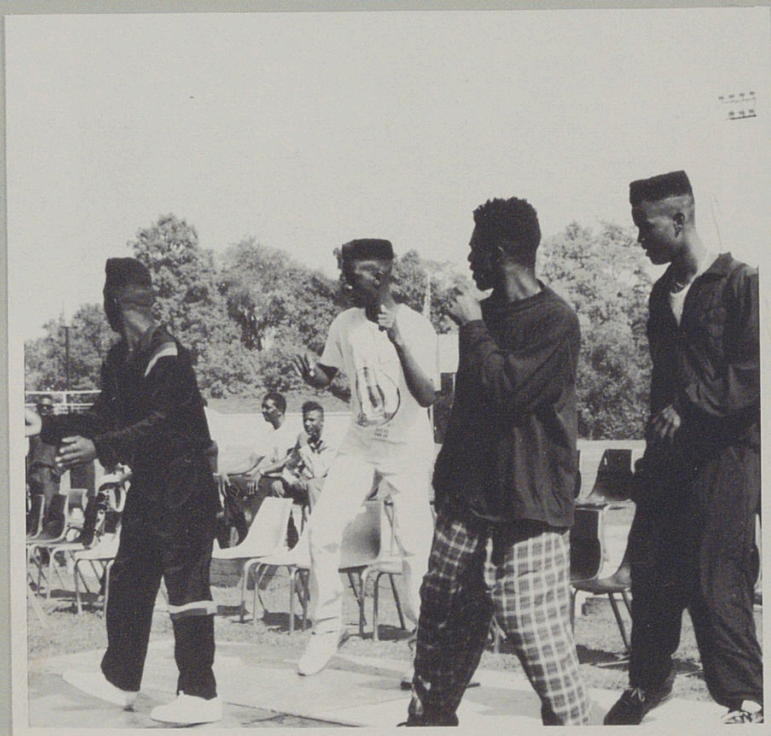

Coaches Conference

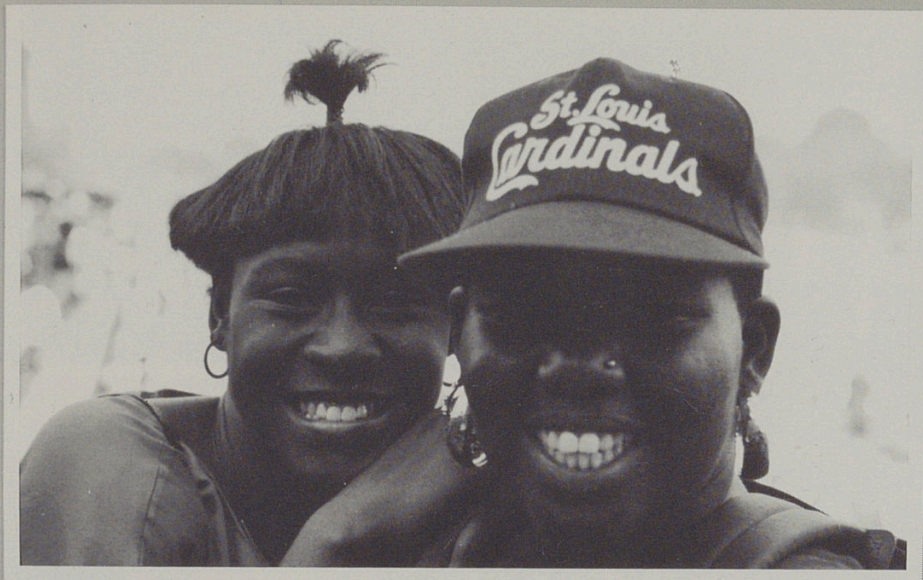

Some members of the girls track team pose for a picture.

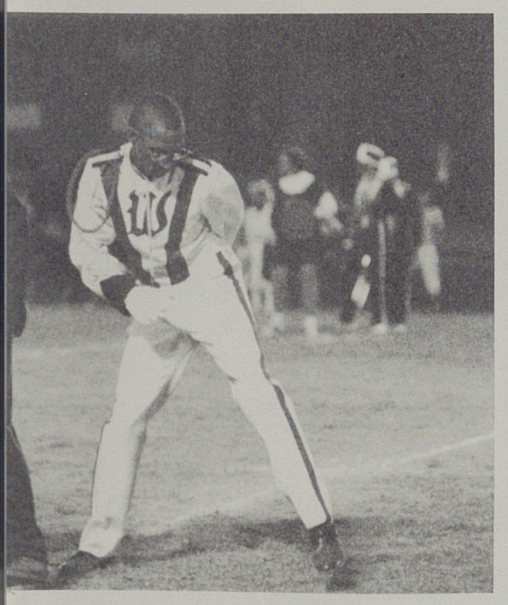

Ryan Alexander and friends strut their stuff.

Inez Buntin and Leah Shippy went all out for their school.

Halftime at the game.

Proud Parents of Withrow players.

Senior Activities

Some brave seniors pose in the strong wind.

The Senior Boatride

Group picture of all the seniors and the advisors that went on the ride.

Peter de Jesus and Yolanda Plair get cozy for a pose

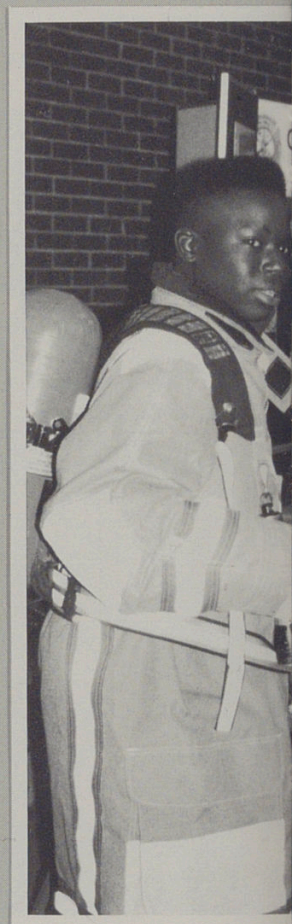

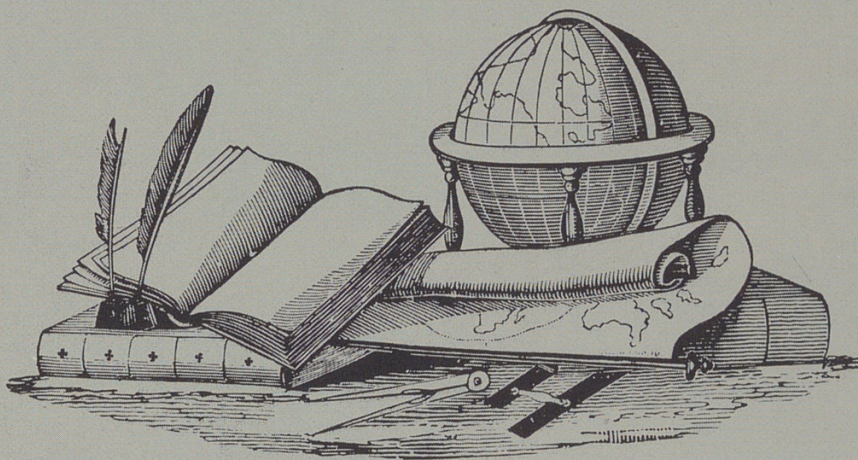

The view from the bus

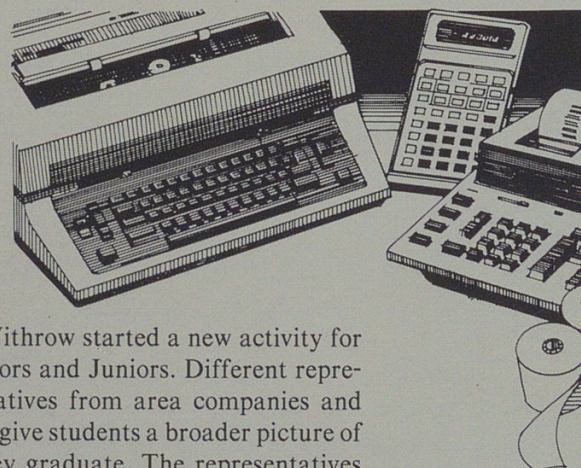

This year Seniors at Withrow decided to break tradition and go on a boatride instead of a hayride. So on one chilly, windy, October day over fifty of us piled into a bus, drove to Kentucky, and boarded the Mark Twain.

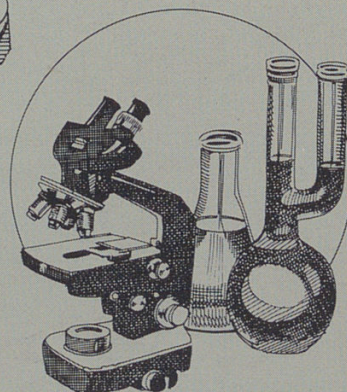

Once on the boat we sang, danced, and had lunch, what else but KFC. If that wasn't your cup of tea there was also a great view of the city.

The College Fair and Career Fair

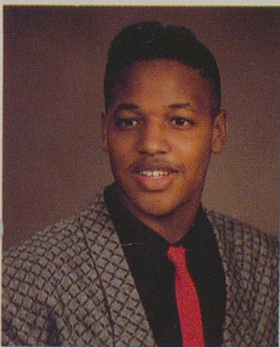

Withrow started a new activity for Seniors and Juniors. Different representatives from area companies and colleges visited the school this fall to give students a broader picture of what is available to them when they graduate. The representatives also offered advice to the students, and many of them now had connections in the business world.

HAVING FUN

WITHROW AMERICA'S MOST COMPREHENSIVE HIGH SCHOOL
Something for everyone...the best for the most.

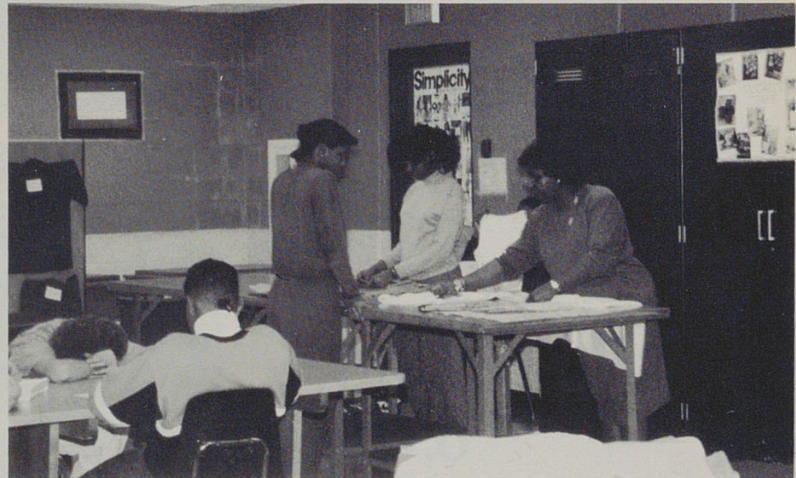

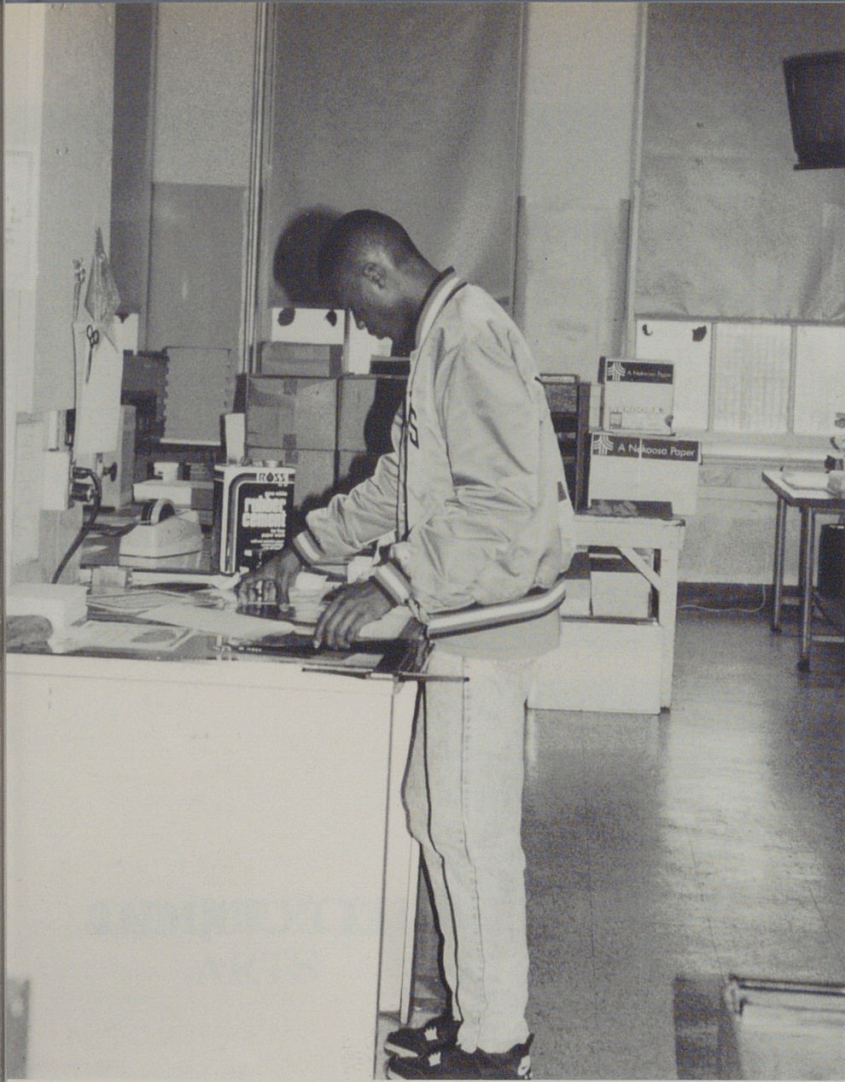

VOCATIONAL Education

Vocational Education can virtually change the life of a young adult. Students choose vocational education for many reasons. It provides a hands-on teaching approach which is better suited for many students. Vocational education opens career options for students and leads to well-paying fulfilling jobs. It gives students an opportunity to test their interests before choosing a career or investing in a college education. If students are college bound, vocational education improves their options.

Vocational education provides motivated skilled employees for our nation's work force. It is a vital part of our economy.

We are very lucky to have, at Withrow, a vocational program that allows our students to experience life.

FRIENDS OF WITHROW

We wanted to take time out to give our special thanks to Monica Nolan, for contributing her time, money, and sincere efforts to beautifying Withrow High School. It is very rare that people take a school under their wing, and work so hard to preserve the beautiful land. Ms. Nolan has restored our once faltering bridge and fountain. She has planted flowers in the spring, and furnished lights at Christmas time. We are very lucky to have a friend like Ms. Nolan and we are very grateful to her.

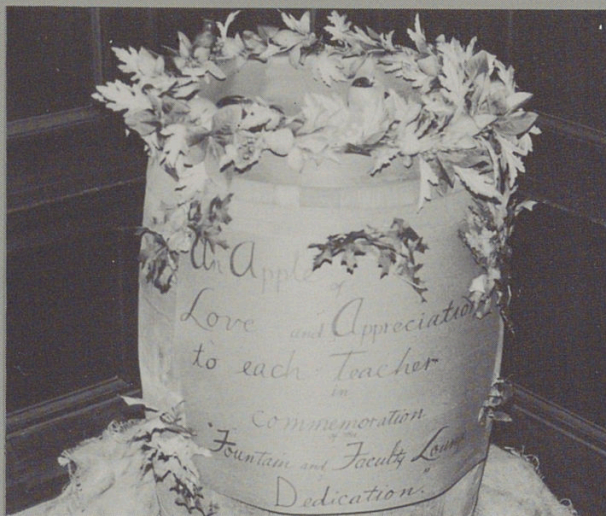

Another friend of Ms. Nolan.

Good food, good friends.

DON'T QUIT

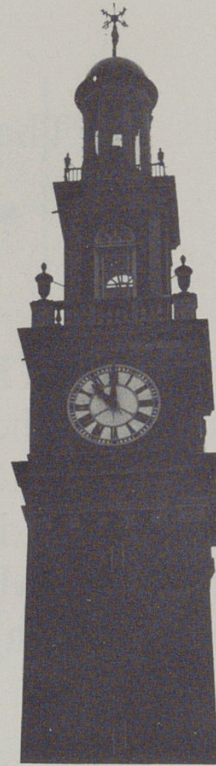

When things go wrong as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and debts are high,
And you want to smile, but you have to sigh
When care is pressing you down a bit,
Rest, if you must — but don't quit.

Life is queer with its twists and turns,
As everyone of us sometimes learns,
And failure turns about
When he might have won had he stuck it out;
Don't give it up, though the pace seems slow —
You might succeed with another blow.

Often the goal is nearer than
It seems to faint and faltering man,
Often the struggler has given up
When he might have captured the victor's cup.
And he learned too late, when the night slipped down,
How close he was to the golden crown.

Success is failure turned inside out
The silver tint of the clouds of doubt —
And you never can tell how closer you are,
It may maybe near when it seems afar;
So stick to the fight when you're hardest hit —
It's when things seem worst than you mustn't quit
Thanks Yearbook Staff for a job well done

A SPECIAL MESSAGE FROM THE YEARBOOK CO-EDITORS

This year has been outrageous!!! The yearbook staff has put in many hard hours of work to leave this book as a fond memory. Those of you with complaints have a chance to do your work next year. In the past four years I've worked with many fine people; this staff has been the best.

Extra special thanx to SEAN WILSON, MONICA COLLINS

GAIL McCLAIN & JEREMY "JEM" RESUS.

I love you ALL

And will miss you. It has been nice working with you.

Sincerely,

Sharonne "Roni" Buckner

Well, it's been an interesting, if not hectic year. Last year Tiffany stated, "If you want to change the yearbook then get on the staff," I did. I really can't begin to express the stress, sweat, or arguments I endured to get this book out on time. I would like to apologize to the Yearbook staff for my moodswings, and also like to extend my gratitude to them for sticking with it. I LOVE YOU ALL, and I can't wait to see next year's book.

Special thanx to RONI, MISSY, JEREMY, SEAN, and to CATHRYN.

Yours truly,

Monica "Moni" Collins

We would also like to thank the following people:

Kipp Stewart
Clarence Frazier
Patricia Samuels
Mary Ronan
Norma Lane
Nancy Brooks

And finally we would like to express our love, gratitude, and sympathy to Michelle Howell. She had to put up with us through the arguments, lost pictures, unnamed pictures, unscheduled meetings, and anything else we could come up with.

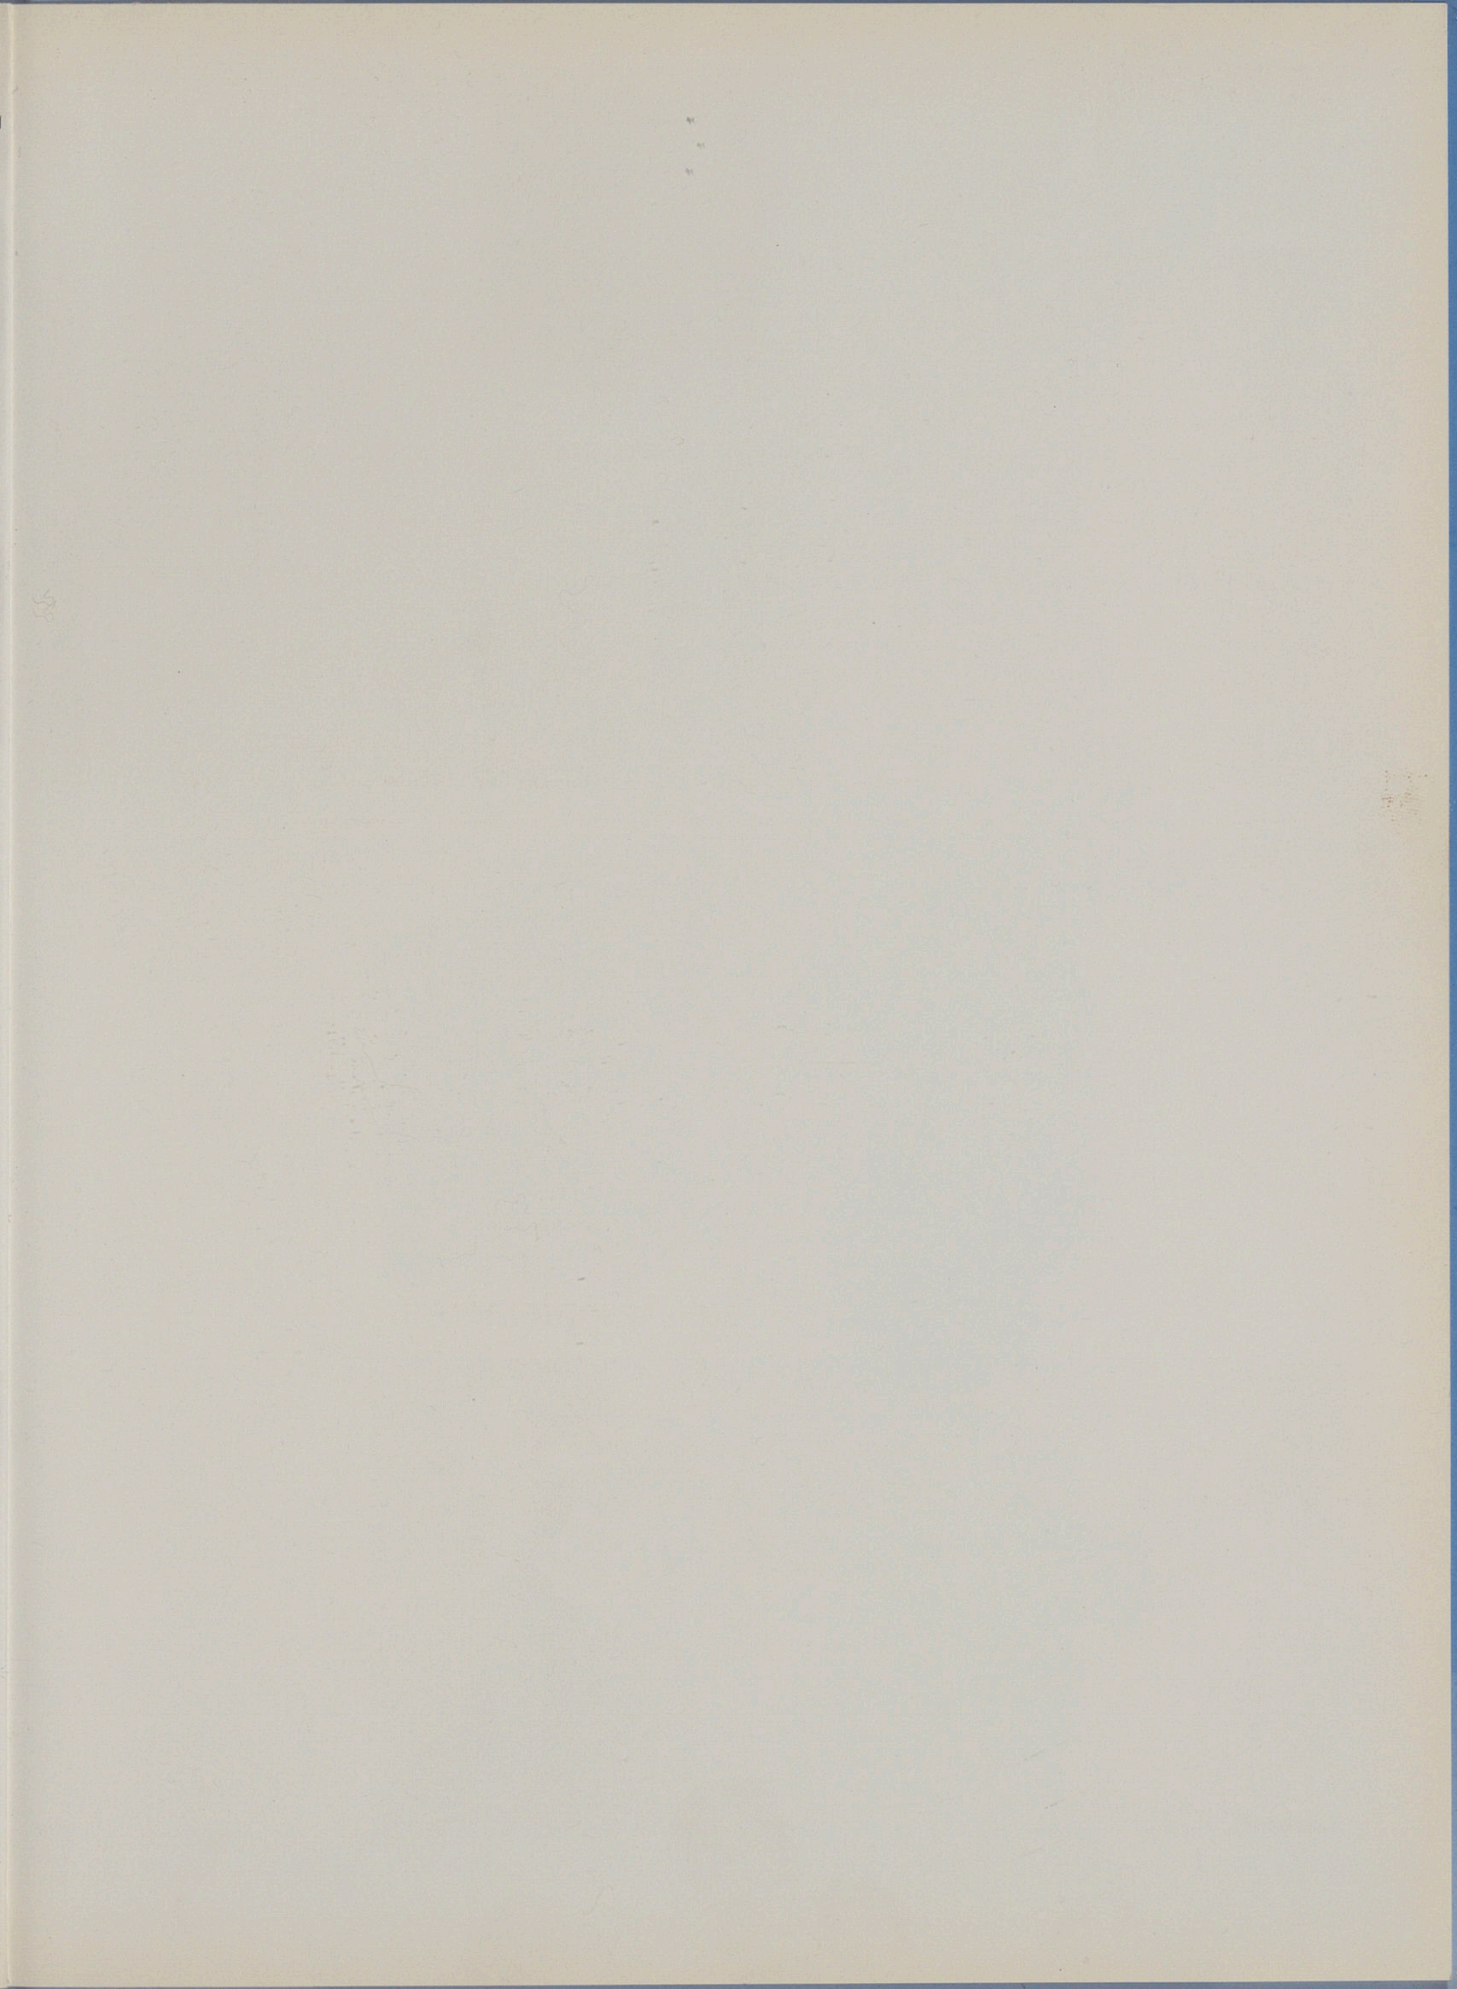

Sincerely,

Monica Collins
