

PRINCE DUNCAN HILL & PRINCESS KI-AFI MOYO

All the weeks of waiting in anticipation and wonder left John Davis and Sonya Martin glowing after being crowned Prom King and Queen. The long awaited moment didn't disappoint Duncan Hill and Ki-Afi Moyo either as they were crowned Prom Prince and Princess.

Those weren't the only ones glowing that night. Music Hall was filled with sparkling dresses and sparkling smiles as the young ladies finally got to show off all their weeks of planning and matching. It seems as if all their chattering about hair, dresses, and dates were worth the weeks of waiting. The Hall was also filled with young men that were anxious to show off not only their dates but also their creativeness in style. Their were a variety of tuxedos exhibited throughout the floor. Bold florescents, jungle prints, flowered, strips and still the traditional solids caught the eyes of many guests. The array of styles and colors was admired all night. As the night carried on and people began to drift out the door, they would surely remember this night for the rest of their lives! We've Only Just Began.
