WITHROW HIGH SCHOOL ALMA
MATER

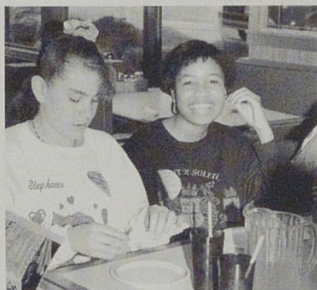

Gentle slopes and lofty tower
Radiant in the sun,
Arching bridge and shaded
valley,
All our hearts have won.

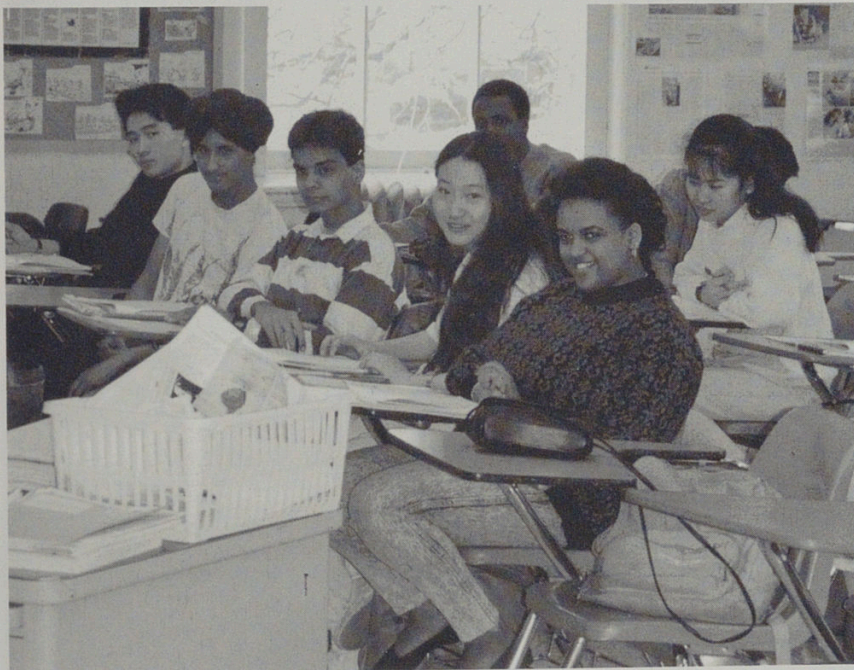

Withrow's beauty, Withrow's
splendor
Fill our hearts with pride;
Love for you, our Alma Mater,
Ever will abide

Friendships made in search of
knowledge,
Cherished bonds and true,
Memories of golden hours,
Hold us close to you.

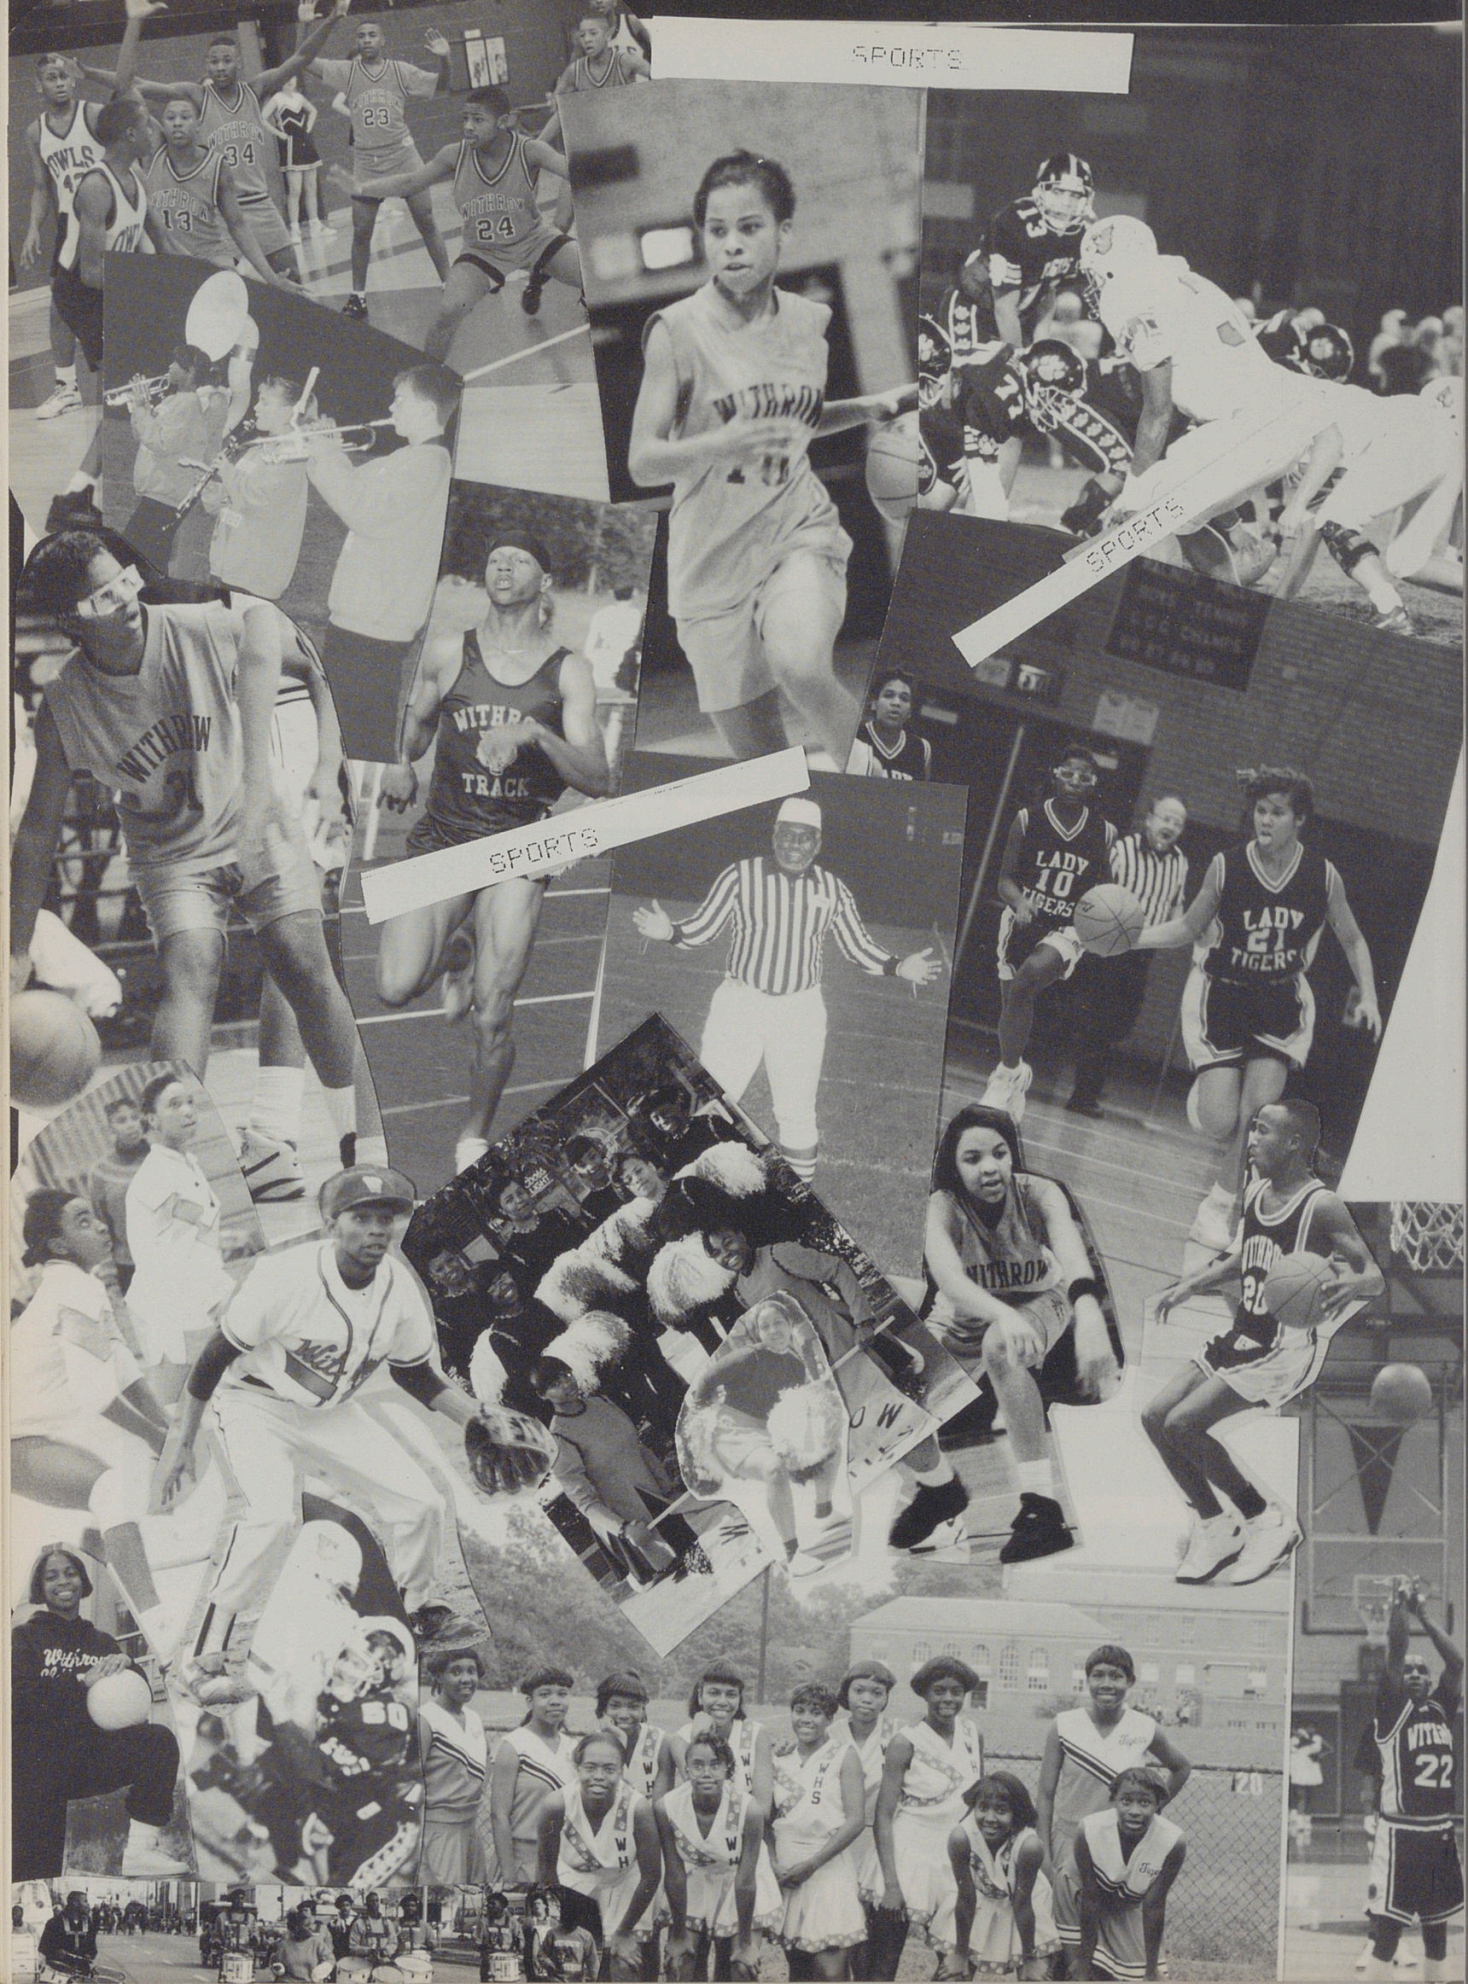

As we venture from our portals,
Aims held ever high,
We'll turn back to glimpse once
more
The tower 'gainst the sky.

The Minority Mentoring program sponsor many activites to promote education excellence. Many students had the opportunity to take trips to several colleges in Ohio region. The program helped students with SAT preparation and helped many of its students to improve on grades by having mentors and tutors. In the fall many students attended the 2nd annual stepshow and in the spring MMP had its first scholarship drive and stepshow. With the money raise MMP gave several students scholarships for college. So that all members, parents, and mentors could come together a banquet was given. At the banquet many people were recognized. Our Hats off to Mr. R. Garner.

OHIO PLUS PROGRAM

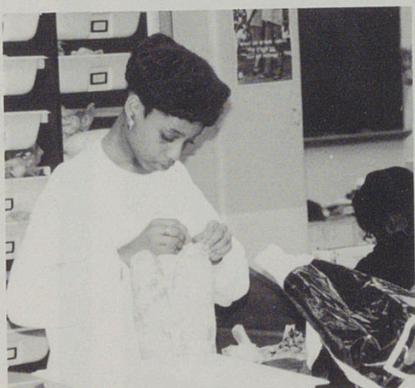

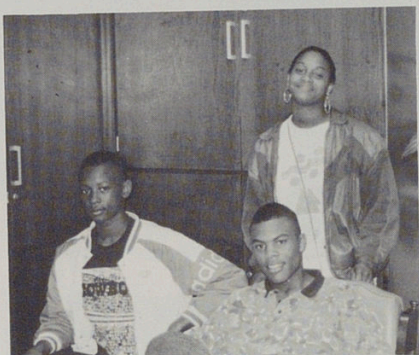

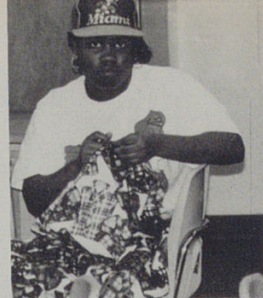

VOCATIONAL

This year Vocational Education took on a new look with a new parent group to help in each individual program. Near the end of the year Withrow programs began down sizing the program with the directive coming from the Board of Education. Some programs will be gone along with some of the teachers. I personally will miss everyone and their programs. I would like to apologize for not having all programs represented this year in the yearbook

PRINCE DUNCAN HILL & PRINCESS KI-AFI MOYO

All the weeks of waiting in anticipation and wonder left John Davis and Sonya Martin glowing after being crowned Prom King and Queen. The long awaited moment didn't disappoint Duncan Hill and Ki-Afi Moyo either as they were crowned Prom Prince and Princess.

Those weren't the only ones glowing that night. Music Hall was filled with sparkling dresses and sparkling smiles as the young ladies finally got to show off all their weeks of planning and matching. It seems as if all their chattering about hair, dresses, and dates were worth the weeks of waiting. The Hall was also filled with young men that were anxious to show off not only their dates but also their creativeness in style. Their were a variety of tuxedos exhibited throughout the floor. Bold florescents, jungle prints, flowered, strips and still the traditional solids caught the eyes of many guests. The array of styles and colors was admired all night. As the night carried on and people began to drift out the door, they would surely remember this night for the rest of their lives! We've Only Just Began.

Prom was a great success. It was a time to share that special moment with that extra special person. The dance was exceptional and the food too.

Many of the faculty spent a special moment with their students.

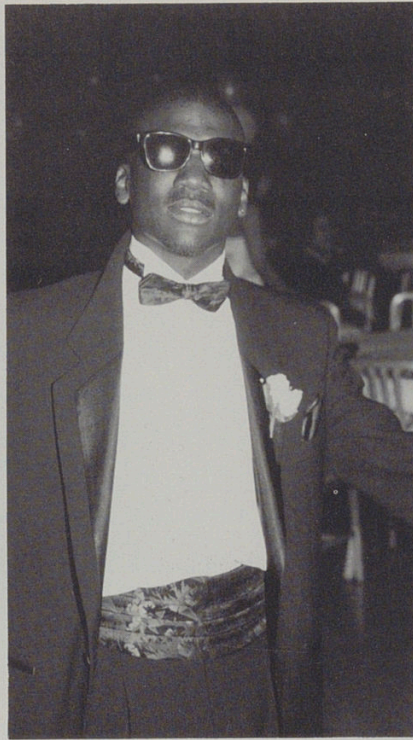

After the prom many students went to the After Prom sponsored by Teen Institute. This kept our student in a drug and alcohol free environment.

Class day began with the gathering in the cafeteria to get lined up for that long walk to the auditorium. There the Senior received special awards and scholarships. Our class president John Davis gave a rewarding speech and then he passed the gavel to the class of 94 president Ki-Afi Moyo.

At the end of the day Sigma Gamma and Dux Femina had selected its new members through the famous Sigs Dance and the Little Sister run.

GRADUATION '93 -TAKE 1 TAKE 2

Duncan Hill leads the graduates and faculty into the stadium. Several students beat the rain and safely make it to the auditorium.

Kim Smith wonders how they are going to have graduation inside and in the dark. Seniors are used to confusion and Dee Dee, Nicole and friends seem unaffected.

"Just another pretty day" everyone thinks as they enter the stadium. The Honorable Leslie Isisah Gaines doesn't let a little rain stop him from having fun.

Milan Lanier, John Davis and Mr. Cusentino do everything they can to get the crowd quiet down. No small task! Linette checks her sister Luvenia hair one last time before being seated.

Graduation - As Successful The Second Time Around

Withrow Graduation began just as graduation should. . . outdoors. The seniors enter the stadium and were begin to sit down for the opening address from Dr. Rice when the clouds broke loose and began to pour. Students, faculty, administrators and guest darted for the auditorium.

The damp Honorable Leslie Isiah Gaines addressed the crowd from indoors. He spoke without a microphone because there was no electricity.

After Judge Gaines speech, the ceremony was postponed for one week. The seniors got a second chance to put on there cap and gowns. Graduation "day 2" was no less eventfull. The seniors finally received their diplomas.

Valedictorian Ricardo Wilkins speaks of the great times and memories he'll have of Withrow High. Mom shows how proud she is of saluatorian Edward Anuforo

Julian and Christine go casual at Graduation "2".

BLACK HISTORY

This year our Black History programs took a different turn. We saw life from slavery to modern day life. Teachers got involved with one scene for the Cotton Club Era. Then Mrs. Belle took us through history of the black woman and the roles they serve in today's society. We would like to Thank you for a job well done.
