● As crisp, cool autumn days usher in a new school year, imperceptible changes are effecting our High School. Students and instructors alike are awakening to a new spirit under the guidance of a new leader, Mr. A. O. Mathias. This year our curriculum offers to all students a more completely modernized program than it ever has previously. And now, more than ever before, we must train American youth for the future. So join us on our thirtieth anniversary, and let us,
