● **Mrs. Virginia Konrad**, the understanding assistant to Miss Agerter besides being advisor to the Tip Toppers, does everything possible to aid the Sophomore, Junior and Senior girls in their difficulties. Her untiring cooperation with the health department results in a smooth running, efficient health service to the whole Withrow student body.

● **Miss Lulu Murphy** is the **Advisor for Freshmen Girls**. Their problems are simplified by this understanding advisor who convinces them that things in the first year of high school are not as bad as they seem.

● A booster of the Withrow spirit is **Mr. Roy Anderson**, a former teacher who now serves as **Advisor for Freshmen Boys** and **Vocational Counselor**. His problems are many, his worries are without end, but his sound judgment, skill, and knowledge have seen him through them all smiling.
