

Left to Right: R. Giardano, C. Tidwell, Mr. Nimmo, Miss Hutchinson, A. Gentrup.

During the fall of each year, members of the junior class are routed from their studies to partake in the physical exams sponsored by the Board of Education. The examinations held here in Withrow's gym are conducted by a battery of doctors from the Board of Education and pertain chiefly to routine check ups. The remainder of the examination takes place at the Cincinnati Health Center where the blood tests and chest x-rays are given. These examinations help to further better pupil health conditions.
